

Daddy:—

Fill the stocking for Mother and the Kiddies this Christmas Eve and every eve in the year with Happiness and Good Cheer. Take them all to the movies. Let them ride the Magic Carpet to the Land of Make Believe—the Mountains of Joy; the Bridge of Sighs; the Heights of Thrills, to enchanted ports—to sobe and laughter, luxurious happiness and delight.

Take them always to see "First National Productions," but take no substitutes.

You may see good pictures, if you ask for them—"First National" are good moving pictures.

Don't be satisfied with less.
