The Halifax "Citizen."

Tri-Weekly, $2 50 in advance.
Weekly, 1.00 "

ESTABLISHED IN 1863

THE combined circulation of the Tri-Weekly and Weekly CITIZEN is now over 5000, considerably larger than that of any other paper published in the Province, and thus the best medium for advertising. This statement we are prepared to prove by our books, and challenge contradiction. Terms of advertising as follows:

Per square of 12 lines, first insertion,	$1 00
Each continuance,	25
Commercial Cards, not exceeding 12 lines, three months,	7 50
Commercial Cards, not exceeding 12 lines, six months,	12 00
Commercial Cards, not exceeding 12 lines, one year,	20 00

Liberal arrangements made with those desiring more space, or inserting advertisements for a long period. The above rates are for the Tri-Weekly only. If the Weekly be desired in addition one-half must be added to those prices. If Weekly only, price the same as Tri-Weekly. To Merchants and others desiring to obtain reliable reports of the Halifax markets, we can confidently recommend the CITIZEN, it being in fact the only paper issued in Halifax which publishes a regular Commercial Review. Several other journals have attempted it, but have allowed it to drop. In its shipping reports the CITIZEN has always been acknowledged to be in advance of any journal published in the Maritime Provinces, and this has given it a circulation specially large among the persons advertisers most desire to reach, Merchants, Shipowners and men of means generally. It contains more reading matter than any other Halifax Tri-Weekly or Weekly, and is the largest paper published in the Province. New York Sun for 1872.

TO ALL WHO CAN READ.

The New York Weekly Sun Doubled in Size without Increase in Price.

With the beginning of 1872, THE WEEKLY SUN has been doubled in size. It now contains eight pages instead of four, making it equal in dimensions to any other weekly secular journal published in this country. At the same time its price has not been increased. It will be furnished to subscribers at the uniform rate of one dollar a year for each copy. To this rate no exception will be made and no reduction will be possible, either to clubs or agents. Every subscriber who sends a dollar will receive a copy for a year.

While THE WEEKLY SUN thus furnishes as much reading matter as other papers published at double or treble the price, it will contain new features which will add greatly to its interest and value as a family newspaper. Its independence of opinion, and its unqualified hostility to Tweedism and Grantism, and every form of public robbery, bribery, and corruption, will be maintained, while in point of political news its readers may rely upon always receiving the most accurate, as well as the freshest, intelligence that can possibly be obtained. The enlargement enables us also to devote additional space to valuable agricultural intelligence, and to print interesting stories and romances more extensively than hitherto. For miscellaneous reading, presenting the quaint and humorous aspects of life, and for useful information respecting not only what takes place in this metropolis and this country, but in all other parts of the world, we now have ample room.

In its new form THE WEEKLY SUN is the cheapest paper of its class in the United States; and we appeal to such of our readers as approve its ideas and objects, and find it interesting and valuable, not only to renew their own subscriptions, but to recommend the paper to their friends and neighbors.

This year is destined to be a memorable one in the history of the country. We are on the eve of a most significant Presidential election, and political movements will for many months be watched with unusual interest. As a journal, free from the trammels of party, THE WEEKLY SUN will continue to uphold the principles of true republican government. Its readers are invited to sustain it in that work. The truth, irrespective of party prejudice or official influence, will always be told in its columns.

Terms of the Weekly Sun—

A journal containing eight large pages, published every Wednesday morning—To all mail subscribers, whether single or in clubs, *one dollar a year each*, always in advance.

DAILY SUN, by mail, 50 cents a month, or $6 a year.

SEMI-WEEKLY SUN, by mail, $3 a year.

Address THE SUN, New York City.
