To the Editor of the Tribune. Our election is over and we have reurned Mr. Domville by a handsome maority. We feel very much obliged to the Minister of Customs for the great inter-

est he has taken in our affairs. His agents and clerks were to be seen at almost every polling place most industriously employed. We however feel that Isaac's time could be more profitably employed in doi: 3 a little for self-improvement than in running our election He is a young politician and a younger Minister of Cus-toms and is succeeding a very clever man. Kent, IMPROVED SINGER FAMILY, Plain and also a bottle of medicine, which is iden ROYAL IMPROVED SINGER, for cloth and tifled as put up for her by the druggist here. Letters were put in which have been received by John Waller from his wife, which mentioned that she was living with the people who have testified that Mrs. Waite was the individual. The defence opened by citing cases of mistaken identity and arguing that evidence does not move the identity of Carrie M. Waite and Catherine Waller.

VINECAR BITTERS Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of Vinegar Bitters?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of Vinegar Bitters in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's Vinegar Bitters, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with Vinegar Bitters. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Fructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitatation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.
