

on the University grounds a large and well-equipped Gymnasium. From the first of November to the first of April, the students have regular gymnastic drill under the director of the Gymnasium. Experience has shown that this practice is highly conducive to the health of the student. In May of each year a public field day is held under the auspices of the Acadia Amateur Athletic Association.

Prayer Meetings conducted by the students, are regularly held on Sunday morning and on Wednesday evening throughout the College year. These religious meetings have been maintained ever since the founding of the College.

Special Classes are formed for the study of the Bible on the Sabbath and at other times. All students are required to be present at morning prayers, and also to attend public worship regularly on the Sabbath. Parents and guardians are requested to give instructions as to the place of worship which they wish the students under their care to attend. Religious services are held every Sabbath in the town in connection with the Baptists, Church of England, Methodists and Presbyterians.

Special rules concerning conduct and good order will be announced from time to time as circumstances may require. It is assumed that students are in attendance for the purpose of intellectual and moral improvement, and that they will readily comply with all regulations that, in the judgment of the Faculty, are helpful in the accomplishment of this object. Inattention to study or misbehaviour of any kind, will subject the offender to reproof or suspension at the discretion of the Faculty.
