

The main headline reads: '費神・兩情繩綰又難分 偷嘗後・盡廢前功要早分' (Effortful and difficult to resolve two feelings, after tasting it, it will be wasted to start again). Below it is another headline: '招徴口吻一笑置之也可・魚性之小欺大怪足何' (A smile can also be used to place it, how strange and small the fish's nature is to deceive the big one). The date '昭和六年十二月廿五日' (December 25, Showa Year 6) is at the bottom.
