The Oshawa Mowers.

They surpass all other mowers in workmanship, quality of material, excellence of construction, and performance of work.

New Model Threshers.

The best threshing machines in America. They do the largest amount of work, and thresh cleaner than any other machines can do the work. In excellence of construction they are unequalled. They are the best made in Canada, and are only equalled by their namesakes in the United States.

Portable Engines.

No better agricultural engines are made.

Hall Threshing Machines.

The best in the market for horse-powers.

My vegetable and flower seed catalogue will be sent free to all who write for it. It is full of fine engravings, with over forty of the best of all the new vegetables. It contains among its vast variety a larger number of home grown seeds, I have reason to believe, than can be found in any other catalogue published in this country. Farmers who make money from valuable new vegetables are those who, being the first to raise them, get a monopoly of their markets. Such will plant largely of this kind of all the early drumheads, the All-Seasons Cabbage; for, my friends, it has come to stay! **JAMES J. H. GREGORY, Marblehead, Mass.**
