

TENDERS

Will be received until **TUESDAY, JUNE 16TH**, for the erection of a House on Shuter Street, Toronto.

GORDON & HELLIWELL, Architects,
26 King Street East.

TENDERS WANTED

For the Construction of a Water Works System for the Town of Springhill, N. S.

Offers will be received up to the 15TH DAY OF JUNE, 1891, at 6 p.m., for the construction of a WATER WORKS SYSTEM for the town of Springhill, N. S., for domestic, fire and other uses, upon the basis of certain plans, specifications and terms to be seen at the office of the undersigned, to whom tenders will be addressed under seal and marked "Tender for Water Works." The usual right is reserved of rejecting any of all offers, or accepting subject to limitations or changes in the pipe line or otherwise, as may be found advisable.

By order, **DANIEL MCLEOD**,
Town Clerk.

Springhill, May 21, 1891.

CONTRACTS OPEN.

NEWBORO, ONT.—The ratepayers have decided to erect a High School building.

OAKVILLE, ONT.—An electric light by-law has received the approval of the ratepayers.

INGERSOLL, ONT.—The congregation of St. Paul's Church have decided to enlarge the church.

STRATFORD, ONT.—The Board of Trade is considering means for securing improved fire protection.

FORT WILLIAM, ONT.—Mr. John McLaurin is preparing to erect a new brick block on the river side.

REGINA, N. W. T.—A by-law has been carried by the ratepayers to raise the sum of \$20,000 for drainage purposes.

ROCKVILLE, ONT.—The church wardens of St. Paul's Church have called for tenders for the erection of a Sunday School building.

PETERBOROUGH, ONT.—The County Council gives notice of its intention to pass a by-law to raise the sum of \$20,000 for the construction of bridges.

WINNIPEG, MAN.—The Baptists have purchased two lots on the corner of Cumberland and Charlotte streets on which to erect their proposed new edifice.

SOURIS, MAN.—Messrs. Smith & Sheriff are talking of erecting an implement warehouse opposite the post office and finishing the upper storey for a public hall.

COLLINGWOOD, ONT.—Mr. Fred. T. Hodgson, architect, invites tenders until noon of the 11th inst., for the completion of the superstructure of a block of brick stores.

BRANDON, MAN.—A by-law will shortly be submitted to the people to raise the sum of \$45,000 for the purchase of a site and the erection thereon of a new school building.

FALKENBURG, ONT.—Mr. Naismith, chairman of the Public School Board of the Township of Macauley, will receive tenders until the 15th inst. for the erection of a school building.

HAMILTON, ONT.—Mr. S. S. King intends erecting a two storey frame dwelling on Dundurn street. An asphalt pavement will be constructed on West avenue, at a cost of about \$4,000.

BRANTFORD, ONT.—The congregation of Zion Church have decided to establish a mission in the North Ward, and are asking for the sum of \$5,000 with which to erect a building suitable for the purpose.

KINGSTON, ONT.—The sum of \$17,500 has been subscribed to the Y.M.C.A. building fund.—Mr. J. B. Reid, architect, is asking for tenders for the several trades required in making certain alterations to the city buildings.

PICKERING, ONT.—The Council wants tenders for the construction of two wood, combination or iron bridges, one of 36 and one of 50 feet span. Tenders to be accompanied by plans and speci-

fications.—The corner stone of a new Presbyterian Church was laid here during the last week.

MOOSMIN, N. W. T.—Mr. R. D. McNaughton intends building a large stone store and public hall on the corner of Front and Carleton streets.—The town council will submit a by-law to borrow \$5,000 for street improvements.—Mr. Geo. Campbell is about to erect a fine residence on South Main street.

HALIFAX, N. S.—At a combined meeting of the Board of Trade and City Council, it was resolved to offer the Dominion Government the right of way into the city for the extension of the Atlantic Railway as far as Cornwallis street, for the sum of \$350,000.—The city council is advertising for a suitable site for the erection of an Inebriates Home.

SPRINGHILL, N. S.—The town in this number of the RECORD invites tenders for the construction of a water works system. The length of mains required is 3 miles, and branches a miles. The probable cost is \$65,000. Messrs. Rickett & Yorston, New Glasgow, N.S., will be in charge of the work. Contracts will probably be awarded about the 30th inst.

NEW WESTMINSTER, B. C.—Plans have just been completed for the erection of a new central public school, to be erected on the site of the old building. The estimated cost of the building is \$20,000.—The Masonic and Oddfellows' lodges have decided to erect a new building on the site of the Masonic Hall recently destroyed by fire, the building to be used jointly by the societies.

TORONTO JUNCTION.—The Council has decided to proceed with the construction of sewers in accordance with the plans of Messrs. Kinchling and Chipman, as far south as Bloor street. Application will be made to the Ontario Government for power to continue the outlet into the Humber Bay, which right the town claims. Failing in this, the sewerage will be treated at the point first named either by a system of clarification or other means.

GUELPH, ONT.—Mr. E. R. Bollert will receive tenders until the 9th inst. for the erection of a brick dwelling in this city. Plans to be seen at the store of Mr. Bollert.—Whole tenders are invited for the erection of a two storey brick house for Mr. Peter Kerr, on the corner of Berlin and Yorkshire streets.—The trustees of School Section No. 43, invite tenders until the 15th inst. for the erection of a brick dwelling house. Mr. James Anderson will furnish particulars.

LONDON, ONT.—Messrs. Jones & McBride, architects, are preparing plans for the remodelling of the Spetigue Hall, making two stores on the ground floor and converting the upper flats into offices. They are also preparing plans for the erection of a residence on the old Salvation Army site on King street for Mr. R. Henston, and a large extension to the premises of Messrs. Robinson, Little & Co. The firm also invite tenders for the brick and carpenter work, plastering and painting required in making certain alterations to the Albert Block.—Wm. West is erecting a new brick house on Craig street.—A Committee has been appointed by the Board of Education to report on the expediency of erecting an addition to the school house on Wharfedale Road.—The City Engineer invites tenders until the 15th inst. for the stone and other work required in building stop log opening in water works dam; also for tile drains on Wellington, Hymian and Richmond streets and a sewer on William street.
