

## An Act respecting the Inspection of Foreign Grain.

HER Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows:—

1. Inspectors of grain shall, when required, inspect grain of United States produce passing through Canada in transit to Great Britain or to a foreign country, and shall grant certificates therefor based on standard samples of such grain furnished the said inspectors by the Department of Inland Revenue; and the said standards shall be established by the board of examiners of the board of trade for the district wherein such inspection takes place, and shall be known as the standards for United States grain of the said district.
2. Every certificate relating to such grain shall state that it is of United States production and that the grade mentioned is that of the board of examiners of the board of trade of the district wherein the inspection takes place.
3. The fees for the inspection of such grain shall be the same as provided by *The General Inspection Act*, chapter 99 of the Revised Statutes, with respect to grain of Canadian produce.
