Hatches Best Everywhere

Stansleigh, Alta.

I bought 200 eggs in the store at Lloydminster and then put them in a lumber wagon and took a five day journey to my homestead. Then put Incubator under canvas tent where the temperature ranged from 50 degrees at night up to 95 when the sun was shining in the day time, and after all this I hatched 114 good, healthy chicks that are doing well. I think your Peerless Incubator about as near perfection as is possible to get.

Yours truly,
B. H. TWEDDLE.

With reference to the Peerless Hot Water Incubator, I may say that I am pleased with it and the results secured in connection with the work at our Provincial Poultry Plant here. There are a large number of them in use in and around Edmonton, and I have heard exceptionally good reports of their hatching results. Your Incubator will certainly do good work with good eggs and proper management.

Yours truly,
A. W. FOLEY,
Poultry Supt., Dept. of Agriculture, Edmonton, Alta.

Cheadle, Alta.

My Incubator has proved a wonderful success. I had sold enough of my June hatch already to meet my payment and have a nice lot of poultry left. I am thinking of purchasing another Incubator—I have met with grand success this summer and I know that I have the Best Incubator in this settlement. There are no less than four different machines in my neighborhood—some of them larger ones than mine—but I have raised more chickens than anyone around here. Out of 143 fertile eggs it hatched 130 chickens. I know different persons who intend buying your Peerless Incubator since they have seen my success—probably they have placed their orders by this time. Yours truly,

(Sgd.) MRS. FRANK TIFFIN.

Sandy Point, N.S.

I started the machine with 100 eggs. At the end of ten days I tested out twenty-eight and opening the shells I found every one infertile. This left 72 in the Incubator; of these 61 came out fine healthy chickens, and the balance added in the shell or were too weak to get out.

E. HIRST.

Brigton, Ont.

From my second hatch with the 120 Peerless Incubator I got 96 strong chicks. I am more than pleased with the machine.

MRS. TINSEN.
