

DUNLOP TIRES

Make a Comparison

Assume nothing in a tire that you cannot see.

It is easy to measure "Traction's" big corrugations, or "Special's" big "buttons," with any competitive anti-skid.

Peerless Poultry Fencing

A real fence, not netting. Strongly made and closely spaced, a complete barrier against animals of any kind. Keeps the small chicks confined. They can't get through. Does all and more than is required of a poultry fence.

The heavy, hard steel top and bottom wires with intermediate laterals will hold a carelessly backed wagon or unruly animal and immediately spring back into shape.

The wires are held together at each intersection by the Peerless Lock.
