THE INQUIRING REPORTER

What is your opinion of the proposed revision in representation to the S.R.C.?

* Howie Boucher - Senior Forester

Frankly I am against this committee business because I don't think it will be as representative as the present system.

To remedy the present situation, proposed class representatives should appear at a public meeting before elections...

* Audrey Baird - Senior Arts

I think you would have less confusion at the meetings over matters regarding societies and more co-ordination of campus activities...

* Dick Ballance - Junior Civil

I fail to see any advantage in it, for you will only pile more work on the committees. The S.R.C. should be a disinterested body.

* Jim Currie - Junior Electrical

I am not in favor of the plan because although it would give more mature members to the S.R.C., the campus would be less evenly represented.

Also, since the representatives would already be presidents of clubs they would have less time to discharge their duties as S.R.C. members.

Manitoban Appears at Univ. of Toronto

Toronto—(CUP)—As the result of the theft of the Bracken Trophy and the sending of that trophy to The Manitoban recently, one edition of The Varsity was not printed last week.

The paper, appearing under the banner of The Manitoban, "Canada's Othere Great", featured only University of Manitoban news on the front page.

When the issue first appeared on the campus, the students were amazed thinking a classical error had been made.

ARTS AND SCIENCE

(continued from page 5, col. 2)

early in the first half when Bernie Scott booted the ball past Daryl Mowatt in the Arts and Science net from about 20 yards out directly in front of the goal.

The second half was even more closely contested than the first. Arts and Science threatened numerous times around the Residence goal but the cool goal tending of Mike Hassell in the Residence nets kept the Arts and Science team from scoring for some time.

Lineups: Residence - Hassell, Shepherd, Boucher, Rogers, Shearsmith, Stewart, Scott, Sozanski, Arts and Science - Elliot, Simpson, Mowatt, Kelly, Gallagher, Crockett, Bliss, Risteen, Fried, Whitcomb, MacDormand, Wilson, Hacker, Ganong, Monaghan.

UBC INVITES FOUR RUSSIAN STUDENTS

Vancouver—(CUP)—At least one Canadian university is doing something to bring Russian students over to Canada.

The University of British Columbia has sent a telegram to the Soviet Minister of Higher Education, inviting him to send four Russian students to UBC for a year, in exchange for four Canadians studying in the Soviet Union.

UBC President, Dr. N. A. MacKenzie says the administration will give all possible support to the plan, provided the Soviet students meet the necessary academic standards.

Notice to Sophomores

Will those sophomores who have not yet paid their 50c please do so by contacting their team captain. If this is not possible, please contact Jim King, Men's Residence, Room 109, phone 9004.

Will these team captains also make a stronger effort to collect this money. The settlement of this matter is long overdue and your executive would like to get it out of the way.

Repeating sophs and Freshies are exempted from paying this "tax".
