

CAREER OPPORTUNITIES

You have the education, now it's time to acquire a *skill*. For 25 years, *Holland College* has connected the classroom to the workplace, students with employers. We help provide you with the *skills* you need to succeed in a number of expanding and challenging fields.

HUMAN SERVICES

A two-year program preparing graduates for work in a variety of government and private agencies dealing with a broad range of people, with special emphasis on serving those with mental handicaps.

Training addresses a range of areas, including basic care, counselling, communication, program development and administration. Students also learn how to adapt to a rapidly changing environment.

Applicants undergo a comprehensive admissions screening process.

JOURNALISM

A two-year, program in print journalism.

Students learn journalistic writing skills through assignments. They develop story ideas, conduct interviews, cover meetings, speeches and news conferences. In addition to basic newsgathering, emphasis is placed on photography and computer layout skills using the latest Macintosh technology. Production of a college newspaper is a key component of the program.

Applicants must be competent in English and have a broad general knowledge.

PHOTOGRAPHY

A two-year, general commercial photography program with an emphasis on the business of photography.

In addition to an energetic interest in the field, students must be self-motivated and prepared to hone their time-management skills. The program includes work in colour printing, black and white processing and printing, electronic flash and tungsten lighting, as well as contemporary studio and Macintosh-based digital photography.

Applicants should be prepared for an interview and a review of their related work.

VISUAL COMMUNICATIONS

A two-year program offering diplomas in graphic design, illustration or graphic technology.

Students use traditional tools and processes, as well as state-of-the-art Macintosh workstations to develop strong portfolios, excellent creative and conceptual skills and the ability to make business decisions.

Applicants are selected on the basis of a portfolio review, a career report and a series of creative projects.

On-the-job training is a vital component of every program. Students learn by doing -- in the classroom and in the workplace.
