

## A 7 Day Holiday to Bermuda from \$160 U.S.

A summer cruise or a holiday in Bermuda. Cunard gives you both. You'll board the splendid FRANCONIA in New York on Saturday afternoon. The vacation gets going with a bon voyage party before you retire to your stateroom for your first night at sea. Sunday is a day of leisure. Swimming, playing the ship board driving range or lying in the sun. In the evening after a meal from an international menu you can head for the discotheque, dance floor, night club or first run movie. And every night during your holiday.

On Monday afternoon the Franconia eases up to Front Street, Hamilton, and your "hotel" has arrived. A floating hotel in the centre of town.

Rent a motorcycle and explore along the narrow twisting roads flanked by walls of silver-hued coral, beaches of pink sand and alabaster homes with roofs built to capture the rain. Passion flowers, honey-suckle, oleanders and hibiscus paint the land. In the evening after dinner on board, visit an island night spot or stay on board where it really swings. Golf, water sports, fishing, shopping and swimming. On

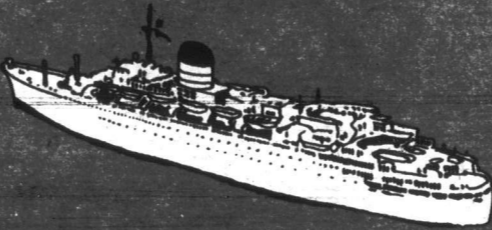

Thursday the Franconia slips past the Great Sound and heads for New York, where you will arrive on Saturday morning.

**DEPARTURES:** From New York at 10 pm. Every Saturday, April 17 to November 6.

**COST:** From \$160 (U.S.) per person. Children under 12: Half fare.

Not included: Bermuda port taxes, \$2.45
