The Ina & Al Harris Trio, one of the more popular Trios in this area are currently entertaining patrons in the Mermaid Lounge at the Valhalla Inn. Although they appear in other lounges, they have made the Valhalla Inn their home for most of the past few years. They will be leaving once again for the Caribbean shortly after the New Year, where they will holiday and entertain in a Hotel Lounge.

**An Evening Out
with Roger Doris**

It's the holiday season and many people are joining in the festive spirit of the occasion and as a result there are many humorous stories floating around. There are many stories being told about happenings at office parties. They tell about the poor chap who ended up home with a pair of shoes at least two sizes too large for him. There is also tales of the cute quiet little blonde that turned into a vamp. But the funniest story told has to be about a regular patron of the Cockney Pride Pub at Howard Johnson's Airport Hotel.
