Dr. F. Johnston,
Pordue,
Sask.

Dear Dr. Johnston:

Many thanks for yours of the 5th inst. I am glad to have the information with regard to Mr. Dunning and Mr. Gardner. I had already heard that Mr. Motherwell was expected to be Lieutenant-Governor.

I emphatically agree with you as to the necessity of a newspaper in Saskatchewan. During the last campaign we made headway; in fact almost swept those districts where we had newspaper support. We had no newspaper in Saskatchewan or Quebec.

Yours very truly,
