SIR,

I beg to enclose herewith two letters dated 11th instant from Mr. John McIver, Indian Agent, McIver, Ont. in charge of the Cape Croker Indian reserve. Mr. McIver refers to certain roads and to complaints in connection therewith. I shall be obliged if you will make a note of this matter so that when at some future time you may visit Cape Croker you will be good enough to examine into the trouble and report what in your opinion may be fairly done in each case mentioned by the agent.

Your obedient servant
