Ottawa 18th December, 1908.

Sir,

Mr G. Gee. Garen, Inspector of Public Institutions, in Manitoba, has forwarded to this Department accounts for the maintenance of Indian patients in the Selkirk and Brandon Asylums during November. The account from the Selkirk Asylum shows that Jane Macklin has been in that Institution since the 19th of October last. I have to request that you will kindly report in the matter, stating whether you authorized her admission to the Institution, and if so on what date.

Your obedient servant.

Secretary.

Hon. D. Laird,

Indian Commissioner,

Winnipeg, Man.
