Sir,

I have to acknowledge the receipt of your letter of the 6th instant, asking whether docks can be built on the shore of Lake Huron at Thessalon by Mr. H. Dyment. I will now send in reply & request to inform you that Mr. Dyment applied for a Patent from this Department in 1874 for 300 acres of land on the eastern side of the Thessalon River but did not thereby acquire the water frontage. No docks can be built there.

W. J. Miller Esq.
