Ottawa, September 3, 1913.

Rev. Sir,-

I have to acknowledge the receipt of a requisition for supplies for the St. Joseph's Industrial School, and in reply I beg to say that the articles asked for will be ordered from the Government Stationary Office, with the exception of the blackboard cloth and the Bible Histories.

You will kindly let the Department know the names of the publishers of the histories, as there are several kinds in use in our Indian schools.

In regard to the blackboard cloth the Department considers that it would be preferable to put in permanent slate boards and if you will give the exact lengths of these boards orders will be placed for either slate or hyloplate.

Your obedient servant.

Asst. Deputy and Secretary.

Principal,
