Ottawa, August 25, 1914.

Sir,-

The Department is in receipt of a communication from the Principal of the Ontario Institution for the Blind, Brantford, in which he states that the Census of 1911 returned Isabella Kehkonarse, aged 16, and Ellen Michannin, aged 17, of the Missanabia Reserve as blind.

The Department would like to have a report from you in reference to these two cases, in which you should state whether you consider these girls should be sent to this institution.

Your obedient servant,

  
Asst. Deputy and Secretary.

Wm. McLeod, Esq.,  
Indian Agent,  
Chapleau, Ont.
