R. H. Moore, Esq., Indian Agent, Duncan, British Columbia.

Herewith letter recently received from David Jack for your attention. No reply or acknowledgment has been made and you might advise him regarding the disposal of the timber on Chemainus Reserve No. 13. His request to "stop the whole business" does not appear reasonable. To date, receipts under Timber License No. 266 held by Standard Logging Company have amounted to \$34,604.39. Distributions to the Band have amounted to \$19,441.00.
