

## MARVELO is a Money-Maker for Practical Men

**MARVELO** is the first and only success in the manufacture of a "Dry-Oil" Paint in powder form which is soluble in water, and which, after applying, becomes practical **Oil Paint**, and keeps in any climate. . . . Consider the value of a paint of this kind to contracting painters. You buy it as an ordinary Wall Finish and figure it as a good grade of interior or exterior Oil Paint. **There is surely money in that.** Made in seven Base Colors, all of which intermix and **tone** down with the white.
