

EXTRA GANG FOREMEN.

32. Extra Gang Foremen receive their instructions from and report to the Roadmaster, and performing their special duties they must conform to the rules and instructions for Section Foremen.

TRACK WATCHMEN.

33. Track Watchmen receive their instructions from and report to the Section Foremen.

34. They must carefully examine the track for obstructions and see that it is in a safe condition. Should any obstruction to the track occur, which they cannot instantly remove or repair, they must at once display stop signals in each direction (see Rule 49), and advise the Section Foreman. (See also Rule 326).

35. Night Watchmen, before going off duty, must notify the relieving Watchmen or the Section Foremen of the trains due which have not passed, and of any other matters requiring attention.

CROSSING WATCHMEN.

36. Crossing Watchmen receive their instructions from and report to the Section Foremen.

37. They must prevent persons and vehicles from crossing the track when trains are approaching, and operate gates when they are provided.

38. They must use green signals to prevent persons and vehicles from crossing the track when trains are approaching.
