

Cuff Links, Studs, &c.

In 14-kt. Gold

AN almost endless variety of tasteful gifts for men may be selected from our stock of Cuff Links, Studs, Dress Sets, etc. A safe choice, too, for no man ever has "too many" of these useful articles.

Everything on this page is 14-kt. gold unless otherwise mentioned, and the illustrations are actual size.

The engraving of an artistic monogram or initial on the Cuff Links always adds to the attractiveness of the gift, and a presentation case is furnished free with every pair. For engraving prices see page 112.
