HEADACHE,
SICK OR NERVOUS.

THE extraordinary reputation that Dr. Spohn's remedy for this distressing complaint is every day gaining is certainly a matter of much astonishment. That so much suffering should have existed for ages without any discovery of an efficient preventive, or even a truly a subject of much regret, but Dr. S. now assures the public that such a remedy has been invented as will convince the most incredulous.—The principles upon which it acts are simple and plain. It is admitted that this complaint, whether Sick Headache, or Nervous Headache, arises primarily from the Stomach—those who think they have the Nervous Headache may rest assured that this organ, the stomach, is the first cause, that the system has become vitiated or debilitated, through the stomach, and that only through the same channel must they expect a restoration of the nature and healthy functions of the system. This object, Dr. Spohn's remedy is expressly calculated to attain. The truth of this position cannot be controverted, and the sooner sufferers with the headache become convinced of it, the sooner will their sufferings and its restoration of health.—It is admitted that his professional reputation on this fact. The remedy may be had of apothecaries generally throughout the United States.

The following article is warranted to cure **PILES, RHEUMATISM, all SORES,** &c. or no pay taken for it.

PHYSICIANS AND PATIENTS.
THE Blind Piles, said to be incurable by external applications—Solomon Hays warrants the contrary. His Lintment will cure Blind Piles. Facts are more stubborn than theories. He solicits all respectable Physicians to try it upon their patients. It will do them no harm, and it is known that every Physician who has had the honesty to make the trial, has candidly admitted that it has succeeded in every case they have known. Then why not use it? It is the recipe of one of their most respectable members, now deceased. Why refuse to use it? Because it is sold as a proprietary medicine? Is this a sufficient excuse for suffering their honest patients to linger in distress? We think not. Physicians shall be convinced that there is no humbug or quackery about this article.—Why then not alleviate human suffering? If they won't try it before, let them after all other prescriptions fail. Physicians are respectfully requested to do themselves and patients the justice to use this article. It shall be taken from the bottles, and done up as their prescription, if they desire.
SOLOMON HAYS.

PILES,—DROPSY,
SWELLINGS, ALL SORES,
RHEUMATISM.

It is absolutely asserted, on the most positive proof, that the above complaints are arrested and cured by the timely use of Hays' Lintment. It is impossible to find room in this paper to present those proofs which are conclusive and convincing. They may be seen at length where it is sold.
GENERAL BUFF GREEN.
 So well known as Editor of the late Washington Telegraph, is referred to for the truth of the following—
 General Green a few days since asserted in a public place, that he had used Hays' Lintment for the Piles, and that the effect was very astonishing, and that he felt it his duty to make known as far as in his power, to his suffering fellow men that such an extraordinary article was in existence.—He said he would cheerfully lend his name, and in extending its usefulness. This is but one of we may safely say hundreds who have given like testimony.
SOLOMON HAYS.

WONDERFUL
An Astonishing Fact!—Hays' Lintment has now been used in some thousand cases, and no failure can be found. It will cure every and all cases of Piles. No charge without such result.—Apply at
JOHN MUSSON,
 Agent for Quebec, and at Messrs. SIMS & BOWLES, BEGG & URQUHART.

CAUTION—None can be genuine without the written signature of Comstock & Co.

LOOK OUT FOR IMPOSITION.
ET A base attempt has been made to imitate Hays' Lintment, and infringe upon the copy and other rights of the proprietors. Never buy Hays' Lintment, unless it has a splendid engraved wrapper, and the written, and signed signature of Comstock & Co. all others must be impositions. Any persons vending any other article, by the name of Hays' Lintment, either by wholesale or retail, will be prosecuted for a violation of our copyright. The sale of Mr. Hays may be found copied in our inside wrapper, stating that no other person knows any of the component or essential parts of this Lintment—and that he will not reveal the secret for twenty years.

THE HUMAN HAIR.

WHERE the hair is observed to be growing thin, nothing can be more preposterous than the use of oils, grease or any fatty matter. Their application can only be recommended through the grossest ignorance, as they hasten the fall of the hair, by increasing the relaxation of the skin. When there is a harsh, dry, or contracted skin, and where the small blood vessels which carry nourishment to the bulb are obstructed, then the oils, &c. may be good, as they tend to relax the skin; but alone they are of no avail. There must be a stimulus to rouse the vessels from their torpor, and quicken the current of the blood.—Extract from *Churchill's Treatise on the Hair.*
THE BALM OF COLUMBIA is the only preparation that can have that effect, being entirely free from any oily substance.

A CASE IN POINT.
I had unfortunately lost nearly all the hair from the top of my head, when I commenced the use of the Balm of Columbia, and have, by the use of two bottles had my head covered with a fine growth of Hair.—There can be no mistake in the matter, as any of my friends can see by calling on me. I had also become quite gray, but had the gray hairs plucked out, and it has grown in as the black rays of the natural color. If any body doubts these facts, let them call upon me and see. I bought the Balm of Columba & Co., 3, Fletcher Street, New York, Counties Slip, Agent of Detroit and New York, Nov. 9, 1839.

COUNTERFEITS ARE AHEAD.
 Look carefully on the splendid wrapper, for the name of L. S. Comstock. Beware of all who claim that name must be false.
