

Proven Good in One Year

This silo was erected by Mr. J. O. O'Reilly, Peterboro Co., Ont. From it were fed last winter two pure bred Holstein cows that have completed yearly records that give them the first two places among producers of their age in Canada.

FRONT VIEW DISPERSION SALE

At his dispersion sale on June 16th Mr. Neil McGowan, Frome View Farm, Sheldon, Ont., is offering some first-class dairy stock. Some of the animals offered are: Daisy Belle Abbecker, 451.3 lbs. milk and 19.80 lbs. butter in seven days. Average test, 3.4. Queen Bess Calamity, No. 2583, 322.8 lbs. milk and 12.7 lbs. butter. This record was made as a two-year-old three months after freshening. Queen Bess Calamity is a show heifer and will certainly develop into a splendid cow. Pearl De Kol Hengerveld, No. 13882, 24.8 lbs. butter. R.O.M.; Lady Insoo De Kol,

16 lbs. butter in seven-day official test; Miss Johanna Posch, daughter of Miss Azie Posch De Kol, who gave 21.62 lbs. butter in one year and nine months. Five daughters sired by Homestead Colantha Prince will be offered. These grand-daughters of that great sire, Dutchland Colantha Sir Abbecker, who has left 33 grand-daughters in Abbecker, there is many good daughters. Among these is Homestead Susie Colantha, 19.98 lbs. butter in 30 days at three years six months and five days. These heifers will make splendid foundation stock.

Nearly all the cows and heifers will be bred to Veeman King De Kol 2nd. This animal is one of the offerings at this sale and certainly is a good herd header. His dam is Queen Kanthe, No. 597, official test 15.87 lbs. butter in seven days. The sire of this splendid bull is Idealine Paul Veeman, sire of 15 R.O.P. daughters. See ad. in this issue.

A GREAT SHOW IN A SMALL DISTRICT
(Concluded from page 9)

Four cows in milk: 1, R. R. Ness; 2, Gordon; 3, Carey.

THE HOLSTEINS

The Black and White exhibit suffered from the absence of several of last year's exhibitors, Tannahill and Brown being particularly missed. I. Sully, of Lachine Rapids, however, had along a few that he had reserved from his recent sale and these, along with the herds of Neil Sangster, Ormstown; J. J. Alexander, St. Louis Station; J. O. McRae, Howick; and A. Younie, Tullochgorum, brought the total exhibit around the 100 mark. Jas. McWhinnie and Jas. W. Winter, of Ormstown, and K. McKell, Riverfield, had individual entries.

Sangster had the largest string and came in for the lion's share of the awards. All, however, shared in the first money in one class or another. Old Rhoda's Queen, winner of many dairy tests, was along, and her progeny figured largely in several classes. She is a splendid example of what one good animal will do for a herd. A fine young thing of Sangster's was a ten-month-old calf that

captured the male championship. The judge, Prof. H. Barton, rightly characterized him "a smashing good calf."

Sully got both female championships. Neither of the animals were unusually large, but they were of fine quality, splendid conformation and "breedy." The senior female champion had as nicely balanced an udder as one would care to see. All around the exhibit was a credit to Quebec Holstein Breeders. Awards follow:

Holstein Female Awards

- Cow, 4 years and over: 1, 2 and 4, Rhoda's Princess, Rhoda's Queen Princess and Dot of Ormstown; Sangster; 3, Lulu Cornucopia, Younie.
- Cow, three years old: 1, Canary Topsy Golden, Sully; 2, Melba; 3 and 4, Doris and Lyla of Pleasant Valley, Sangster.
- Cow, 2 years in milk: 1, Sangster; 2, McWhinnie.

- Graded herd: 1, Sangster; 2, Alexander; 3, Melba.
- Breeders' young herd: 1, Sully; 2, Sangster; 3, Melba.

Get of sire: 1, Sangster; 2, Sully; 3, Alexander.
 Prizer of cow: 1, Sangster; 2, Melba; 3, Younie.
 Four cows in milk: 1, Sangster; 2, Melba.

THE GRADE DAIRY CATTLE

A report of the Ormstown show would not be complete without mention of the grade cattle. A country strong in good pure bred cattle is almost certain to have unusually good grades. One class of Ayrshire grades, that for cows in milk, was particularly attractive, looking almost as uniform as pure breeds. This class numbered 14. McMillan and Legget, D. Ness and Chas. Moe, Ormstown, were the principle exhibitors, the first firm capturing the best awards. In Holstein grades J. J. Alexander had some fine cows. Other exhibitors here were Thos. Rutherford and Jas. M. Winter, Ormstown.

JUDGING COMPETITIONS

The judging competitions for young farmers were marked by an innovation this year—competition between teams of three representing different counties. The three young men from a county are selected on the basis of their work in judging competitions at fall fairs. Their expenses are met by the Agricultural Society. McDougall Bros., of Ormstown, donated cash prizes for the Ormstown competition and Prof. Barton a county trophy to be won three years before it becomes the permanent property of the county. This year the four counties of Pontiac, Argenteuil, Chateaugay, and Huntingdon, had teams entered, the boys from Pontiac coming in first place.

The competition, Prof. Barton believes will form a connecting link between the fair, the various counties, and Macdonald College, two-year and four-year students from the latter institution being allowed to compete.
