IDEAL WOVEN WIRE FENCE

Made to Last.

This fence is made to keep your live stock in and your neighbor's out. It will do this not only for this year and next year, but for many years to come. To do this the fence must be strong and durable. The IDEAL is both, because we use large gauge (No. 9) hard steel wire for both stays and horizontals, securing them with the "Ideal knot" that will not slip. The wire is well galvanized, being tested thoroughly by us before being made into fences.

We cannot tell you all about it here, because we have much to say. If you are interested in fencing, write us for our illustrated catalogue. It shows a style for every purpose, and tells you why the IDEAL is the best value. Our catalogue also shows the Ideal All-metal Farm Gate.

All that is necessary is to send us your address on a postal card. Do it to-day.
