Florida Water!

oots THE Fountain of Youth has never been found, but all who have used the FLORIDA WAFER
 will admit that its cosmetic properties promote the purity of the skin and relieve the complexion from blemishes. It rapidly allays the irritation caused by ordinary cruptions, and removes tan, freekles, or blotches from the face, neck and arms. When ding diluted with water it is a delightful wash for the face after shaving. When applied to the handker-chief, or to articles of clothing its fragrance bee mes so fixed to the fabric as to be almost in distructable except by washing. The above perfume is for sale at DAVIS' DRUG STORE, 125 Barrington st. Auust 21
