GATES! CERTAIN CHECK Diarrhœa Cured.

SHELBURNE, Sept. 17, 1877.

DE. GATES.—DEAR SIR.—I write you in behalf of your invaluable CERTAIN CHECK. I cannot say too much in its praise. I was very much reduced by Di. arrhea: had tried all the reviews and the tried discount to character and the trade. praise. I was very much reduced by Diarrhea; had tried all the various remedies recommended for that complaint, and still kept growing worse and worse. I was then recommended to try your CERTAIN CHECK. My case was one of the worst kind, and I used one whole bottle before I obtained relief. I bought another bos-tle, and when I had taken one-third ofit I was restored to my usual good health. I would recommend it to any one as

sure cure for Diarrhoea. I remain, yours truly, HENRY MILES.

HOME MANUFACTU

NEW BOOT AND SHOE STORE

WE have just opened in the Store lately occupied by C. R. THOMPSON, No. 16 Granville Street, door South of the LONDON HOUSE, a splendid Stock of

BOOTS and SHOES The greater part of which have been MANUFACTURED BY OURSELVES, AT THE INDUSTRIAL SCHOOL,

Expressly to suit the times, showing the purchasers the very best value for the smallest amount of money-and feel certain-that we can give better value than any house in the trade, in support of which, we call the attention of the public, to some of the advantages we possess.

FIRST—We make our Staple Goods by HAND at the INDUSTRIAL SCHOOL, and are thus able to produce a much better article than those made by Machinery. SECONDLY-By making our Goods and selling them ourselves, you get them first hand, hence you

have only to pay for the material and one small profit THIRDLY—As you buy from the maker his responsibility to you is greater than if he had purchased the goods of another and was selling them again. If the style and size of the hoots doc-not sait, you can have them made at a triffing additional east

We sell for CASH and cash only to keep strictly to this we cannot send out for approval, all parcels being paid for before they are sent.

Should they not suit we will return the money:

Consequently the cash buyer is not compelled to pay those bills that are lost as the result of the CREDIT SYSTEM. These with many other advantages we could mention, warrant us we think in reasserting that we can give better value than any house in the trade. COUNTRY MERCHANTS who buy in small lots for Cash, would do well

to give us a call before purchasing elsewhere. FISHERMENS and MINER'S BOOTS a Specialty.

DALHOUSIE COLLEGE & UNIVERSITY THE MUNRO BURSARIES.

The Winter Session of Dalhousie College will commence on Wednesday, 27th October, 1880. The Matriculation Examination will begin on that day, at 10 o'clock, a. m., and Classes will be opened on Monday, lst November. Students may enter as (1) Undergraduates, with the intention of applying for a University Degree in Arts or Science at the end of their course, or (2) as General Students who do not look forward to a Degree. For the latter no Matriculation Examin-

The Matriculation Examinations are partly oral and partly written; the subjects for entrance into the First year of the Arts course are:

I. IN CLASSICS.—Latin Grammar, Greek Gramsnar, one Latin subject, one Greek subject. The following subjects are recommended: In Latin.—Casar, Gallie War, Book I.; or Virgil, Enerd, Book III.

In Greek - Xenophon, Anabasis, Book I. Instead of the above, equivalents may be offered, if they be not parts of the Undergraduate course, on giving a week's notice to the Secretary of the Senate.

II. IN MATHEMATICS:—Arithmetic; Euclid's Elements of Geometry, Books L and II; Algebra, Simple Rules, and Simple Equations of one unknown quantity, not involving Surds. III. In English. - Grammar; History of

England; Geography; Composition. The subjects for entrance into the first year of the Science Course are: I. IN MATHEMATICS .- Same as for the First

Year in Arts. II. In English.-The same as for the First Year in Arts. III. IN LATIN OR GREEK OR FRENCH :-

German .- Grammar and Translation. French.-Grammar and Translation.

Latin.-The subjects of the Matriculation

The following Bursaries and Scholarships are offered for competition at the Matriculation Ex-

1.—The Munro Bursaries.

GEORGE MUNRO, Esq., the Founder of the Munro Professorship of Physics in this University, offers this year seven Bursaries for competi-

tion at the Matriculation Examination. The value of each of these Bursaries is Two Hundred Dollars yearly with Free Class-Tickets for the first two years of the Undergraduate Course, taken consecutively; provided that the holder of Bursary gain a Certificate of Merit at the Sessional Examinations of the first year. After these two years, the Bursaries are again to be competed for, and will be held during the third and fourth years of the Course, on Terms similar to those of the preceding years.

These seven Bursaries are allotted for competition to students from the following five districts of Nova Scotia, and from New Brunswick and Prince Edward Island, one to each, viz.:

1. The Island of Cape Breton. 2. Pictou, Antigonish and Guysboro. 3. Colchester, Cumberland and Hants.

4. Halifax, Lunenburg and King's. 5. Annapolis, Digby, Yarmouth, Shelburne and Queen's. 6. New Brunswick.

7. Prince Edward Island.

Candidates must satisfy the Principal, before the week in which the Examinations are held with respect to the districts to which they belong and as coming from which they are entitled

Students who have already Matriculated at any College are disqualified for competition. The Bursaries will be awarded to those Students from the several districts mentioned, who make the highest total of marks at the Matriculation Examinations: but no Bursary will be awarded unless a Standard of Merit, determined by the Senate, shall be reached by the candidate.

The Examinations for the Munro Bursaries are the same as these for the Prefessors' Scholar-Further information may be obtained on appli-cation to the Principal.

2.—Professors' Scholarships. Two Scholarships, entitling to free attendance on all the Classes of the Undergraduate Courses

in Arts, The subjects of Examinations for these Scholarships this year are nearly the same as those for Matriculation in Arts at the University of Halifax, viz. -Latin for 1880: Casar, Gallic War, Book I. Virgil, Eneid, Book III.

Greek for 1880: Xenophon, Anabasis, Book I-Arithmetic: the ordinary rules of Arithmetic. Vulgar and decimal Fractions, Proportion and Algebra: as far as Simple Equations and Surds Geometry: First and Second Books of Euclid.

English: Grammar, Analysis, Outline of English and Canadian History, and General Geo-One Scholarship entitling to free attendance or all the classes of the Undergraduate courses in Science, is offered by the Professors this year for competition at the Matriculation Examination The subjects are the same as those of the Matriculation Examination in Science.
