

SYNOPSIS OF CANADIAN NORTH-WEST HOMESTEAD REGULATIONS.

Any even numbered section of Dominion Lands in Manitoba or the Northwest Provinces excepting 8 and 26, not reserved, may be homesteaded by any person the sole head of a family, or male over 18 years of age, to the extent of one-quarter section of 160 acres, more or less.

Application for homestead entry or inspection must be made in person by the applicant at the office of the local agent or sub-agent.

An application for entry or inspection made personally at any sub-agent's office may be wired to the local agent by the sub-agent at the expense of the applicant, and if the land applied for is vacant on receipt of telegram, such application is to have priority, and the land will be held until the necessary papers to complete the transaction are received by mail.

In case of "personation," the entry will be summarily cancelled and the applicant will forfeit all priority claim.

An applicant for inspection must be eligible for homestead entry, and only one application for inspection will be received from an individual until that application has been disposed of.

A homesteader whose entry is in good standing and not liable to cancellation may, subject to approval of Department, relinquish it in favor of father, mother, son, daughter, brother or sister, if eligible, but to no one else, on filing declaration of abandonment.

When an entry is summarily cancelled, or voluntarily abandoned, subsequent to institution of cancellation proceedings, the applicant for inspection will be entitled to prior right for entry.

Applicants for inspection must state in what particulars the homestead is in default, and if subsequently the statement is found to be incorrect, to material particulars, the applicant will lose any prior right of re-entry, should the land become vacant; or if entry has become granted it may be summarily cancelled.

Duties—A settler is required to perform the conditions under one of the following plans:

(1) At least six months' residence upon and cultivation of the land in each year during the term of three years.

(2) If the father (or mother if the father is deceased) of a homesteader resides upon a farm in the vicinity of the land entered for by such homesteader, the requirements as to residence may be satisfied by such person residing with the father or mother.

(3) If the settler has his permanent residence upon farming land owned by him in the vicinity of his homestead, the requirements may be satisfied by residence upon such land.

Before making application for patent, the settler must give six months' notice in writing to the Commissioner of Dominion Lands at Ottawa, of his intention to do so.

W. W. CORY,

Deputy Minister of the Interior.

I Can Cure Your Rupture

Just READ THIS and You Will Know Why 15 DAYS TRIAL TREATMENT FREE To cure your rupture you need a truss which will hold your rupture secure, and a good treatment that will close the rupture opening, while the truss is being held back. Now, is your truss good? Does it always hold the rupture back?

If it does not, why not? Just because the pad is not the proper one to retain the rupture. Now, you know, you can hold it back with your fingers because they will cover and fill the opening. My Inflatable Truss does exactly the same thing. It possesses a small, finger-shaped pad, filled with air to the size of the rupture opening; it covers the opening and fills it. My Inflatable Pad works just like your finger does. Therefore it is a good truss, the one that holds rupture securely, the one that you need. You cannot obtain this truss from any one else, because it is my patent. It was patented in Canada on Dec. 1, 1903, and in the U. S. A. on June 23, 1903. I employ no agents or drug stores. Trusses for my Canadian patrons are manufactured in Canada and no duty to be paid by my patients. When used in connection with my Fibro Plastic treatment, which creates new tissue across the rupture opening, it will close the opening and cure your rupture. Yes, my patented Inflatable Truss and Fibro Plastic treatment accomplish this. I have done so in hundreds of cases. I can do so in yours. I know I can. Write me today for my 61 page booklet giving further details, and my 15 days' trial treatment which will be sent you absolutely free of charge. Address: IGNAZ MAYER, M.
