SCHEDULE.

Having examined the Steamboat (*name*) of _____ whereof _____ are owners, and _____ is master, on this _____ day of _____ A. D. 18 _____

I, (*Inspector's name*) do certify that she is in all respects staunch, seaworthy, and in good condition for navigation; that her engine, machinery, pumps and boilers are sufficient and suitable to be employed in the carriage of passengers without hazard to life, on the route for which she is to be placed, and that the boilers of the said steamer can carry with safety from _____ to _____ pounds (*here insert number of pounds*) per square inch, and no more: and I further certify that the equipment of the vessel throughout, including boats, life-boats, life-preservers, lights, and other things, is in conformity with the provisions of the law: and I declare it to be my deliberate conviction, founded on the inspection I have made, that the said steamboat may be employed on the waters hereinafter specified, without peril to life from any imperfections, or from materials, workmanship, or arrangements of the several parts, or from age or use. And I further certify that the said vessel is to run on the following waters (*here insert the waters, &c.*)
