While many blessings were pronounced in olden times upon the Natural Israelites, we are not to forget that Natural Israel was a picture of Spiritual Israel. All of God's blessings to the natural seed of Abra-God's ham are still more abundantly applicable to the Church of Christ, which is the Spiritual Seed of Abraham. If the Lord shall bless us, will it mean that we shall have temporal prosper-ity? This is by no means certain; for temporal prosperity is not the promise to Spiritual Israel. To this class the blessing of the Lord is of a far higher kind than this.—1 Corinthians 10:11; Galatians 3:29; John 16:33. The Lord's blessing was'very rich-

This is our first victory. Then there are things that we areovercome in the way of opposition from the Adversary and his servants. (Romans 6:16.) We may never "give place to the Devil," never yield (Romans 6:16.) to that which would be in opposition to the Lord and His Cause. But we

are to be ready to lay down our lives in support of "the Truth as it is in Christ Jesus." We are not to con-tend about little matters that are Dayton, Ohio, of righ ved. But where princi at stake, we must stand fast. We may not compromise principle.

Responsibility Upon Christians. When we look back to the time when the bishops of the Church began to call themselves "apostolic bi shops," we can see what injury the tenance upon compromising spirit has wrought in thee and give the world. Then it was that the Divine arrangement was set aside, and the creeds of men were substituted for God's Word. The Apostle Paul

says, "The Word of God is sufficient. that the man of God may be perfect thoroughly furnished unto every good work." (2 Timothy 3: 16, 17.)
