RESTORATION OF VOICE BY KEATING'S COUGH LOZENGES. GLASGOW, 13th January, 1847.

GLASGOW, 13th January, 1847.

SIR,—I, have great pleasure in informi g you of the great good your excellent COUGH LOZENGES have done me. In December, 1845, I caught a severe cold from riding two or three miles, one very wet night, which settled in my lungs, and quite took away my voice so that I could not speak above a whisper from that time until December hast. I tried all kinds of medicines, but they were of no avail. I was then advised to try your Lozenges, which I did only to please my friends; but before I had finished a 2s. 9d. tin, my voice, to my great joy, came back as strong as ever.

I am, Sir, your's respectfully.
