ADELINE PATTI, THE QUEEN OF SINGERS

There was a time, and it is not en

tirely passed, when to mention prima onnas you would instantly think of Adelina Patti. She was born in Madrid, Spain, and her parents were operatic singers of Italian ancestry. he first sang at an early age in lew York, but her fame was secure ifter her first appearance in London, and from that time she held high rank as one of the first singers of he day. The rich bell like quality f her voice and remarkable eveness of tone had a range as a high oprano never surpased, and her caenzas and trills were the delight of ner admirers. Adelina Patti will we much of her fame to the way Thro' the Rye," although her English fairly well. reatest success was "Marguerite" in ounod's "Faust." She never unerestimated the value of the songs hat touched the heart. "The Last Rose of Summer" is a song that will always be identified with Patti. "Comin' Thro' the Rye" and "When to Thy Vision," from Gound's "Faust." both are to be found in "Heart Songs," the book now being offered to the readers of this paper. "The Last Rose of Summer" is to be found on page 146 of the volume, and is only one of the many favorites of Patti that render the
