BOSTON, Oct. 13-All champions like all dogs have their day. The gallant Philadelphia Athletics made a valiant but futile stand against the all-conquering Boston Braves to-day in the crucial game of the world's series. The Mackmen were beaten 5 to 4 after twelve innings of baseball that was at times brilliant and at other times ragged and slow.

With Dick Rudolph to pitch the fourth game which will take place here Tuesday, the Braves have a very excellent chance to make a record four straight victories, a feat not hi-therto accomplished in the big post season feature.

Mackmen Have Lost Their Punch Yesterday the Mackerals showed a flash of their real form, the form which caused them to be regarded as the smoothest and best baseball ma-chine ever seen. But that was not enough to withstand the attack of the jubilant Braves, who entered the struggle with the advantage of a twogame lead and all the confidence born of the dual defeat of the Philadel-

phians in the latters' city.

Bush completed the task which was assigned him, but Tyler was taken out in the tenth inning to allow the use of a pinch hitter. Tyler weakened in that round and the Athletics grasped the opportunity to score two runs, only to have the Braves reply their half with two more.

Mackmen Score in Tenth With the score 2 to 2 when the tenth inning was commenced the Ath-letics launched one of their desperate onslaughts and when it was over two onslaughts and when it was over two runs had been scored by good hitting and strategic baseball. Schang singled and Bush fanned, but when Murphy hit to Tyler in a hit-and-run play the pitcher threw to Maranville, who relayed it to Schmidt for an attempted double play. SALTS IF BACKACHY AND KIDNEYS HURT

Stop Eating Meat for a While your Bladder is Troubling You.

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat says a well known authority. Meat forms uric acid which ovewrorks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them ike you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sours, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are often obliged to seek relief two or three times during the night.

Either consult a good reliable physician at once or get from your harmacist about four ounces of Jad salts; take a tablespoonful in glass of water before breakfast for a few days and your kidneys will then He got a double yesterday, also an initial hit.
