## CONDITIONS ARE NORMAL, SAYS GENERAL FRENCH

London, Aug. 30.—A report from Field Marshal Sir John French, commander-in-chief of the British army in the field, was given out by the British War Office last night as follows:  
 "Since my last communication of August 18 there has been no fighting on our front to record. There has been a certain amount of mining activity, but conditions generally have been normal.  
 "Between the 18th and the 21st we succeeded in snuffing down enemy aeroplanes. On the 25th our heavy artillery set fire to a railway train at Langemarck station (about five miles northeast of Ypres). On the same evening our Royal Flying Corps co-operated with our allies in an aerial attack on the forest of South Hulst, which was successfully carried out without the loss of any machines."

## EXPORTS PROHIBITED

By Special Wire to the Courier.  
 London, Aug. 31.—The Daily Mail says that the exportation of all wines from France is prohibited until further notice. Since last Wednesday no wines have been shipped. It is understood that the French government wishes to keep all the ordinary wines, which are cheap and practically national beverages, for the use of the troops. This year's vintage prospects in Bordeaux are exceptionally poor. Usually large quantities are exported to South America and other countries, and, faced with the probability of a shortage, the government has ordered that none shall be sent out of the country.

This is \$41,757 greater than the total for the fiscal year. British and French ships paid \$792,004, or \$207 more than during the previous year.

## INVESTIGATE REPORTS

By Special Wire to the Courier.  
 Chicago, Aug. 31.—B. B. Johnson, president of the American League, leaves for Boston to-day to investigate reports that gambling is being done in the ball parks there. ## WOLGAST OUTFOUGHT

By Special Wire to the Courier.
