## WRONG AGAIN

ARRANGED Morning Joke Should Study Up Geography.

When the morning joke passed out that rumor of an Indian uprising into an actual and awful tragedy it ISSUED was guilty of some fearful blunders. It attributed, among its other mistakes, the actual uprising to a spirit of revenge for the hanging of the Mc-Clintock murderers. A glance at the map is sufficient to show the stupid-Ity of this. The scene of the Mc Clintock murders, the watershed of the McClintock river, is over two hundred miles from the scene supposed insurrection.

# REMAINS OF OLD MILL

## Where Russians Used to Manufacture Flour

as follows: A to C, D to Leads to Conclusion That Wheat Has Been Successfully Grown in Alaska.

Special to the Daily Nugget. Seattle, Dec. 16.—On Wood Island off the coast of Southeastern Alaska, the remains of an old Russian flour mill have been found, which, in connection with the plans of the United States government to open up the district to agricultural settlement, of interest. Recently the place was investigated by R. B. Taylor of th Smithsonian Institute, who spent the summer in Alaska. He says: "From the size of the mill I infer there was 2, Ogilvie, at N.W.M.P. a considerable amount of wheat No. 3, Henderson, at grown there and that it was a suc-
