ANOTHER TRAGEDY OF THE SEA.

SCHR. VAMOOSE WRECKED ON RHODE ISLAND.

A despatch from C. N. Adams, second mate of the schooner Vamoose, dated at Newport, R. I., states that the schooner was driven ashore at Black Island and was broken up. The captain and first mate were drowned. The Vamoose, Captain Byron M. Knowlton, was bound from Sidney for St John, with a load of coal for Messrs. R. P. & W. F. Starr. She was out in the late gale, and it is supposed she was disabled and driven off. The Vamoose was 349 tons register, and was built at St. John in 1891. Mr. Fred E. Sayre owned thirty-five shares, and Mr. James W. Holly, seven shares. The remainder were owned in one and two shares by different parties. The cargo was insured for $1,467.

Captain Knowlton was a native of Advocate Harbor, N. S. He was a good seaman, and before he joined the Vamoose, he commanded the barque Ashlow. He leaves a wife and family, who reside in Carleton. The name of the mate is not known.

The Vamoose went ashore on the 5th, at Clay Head, Block Island.

The Vamoose is partly insured.

NO DOUBT REMAINS.

That Dodd's Kidney Pills are the Only Unfailing Cure.

For all Kidney Diseases—They Have Cured all Cases for Which They Have Been Tried—No Other Remedy Has This Record.

BRIDGEWATER, N. S., Dec. 5.—There can be no doubt in the mind of any unprejudiced man or woman that Dodd's Kidney Pills are the greatest Kidney remedy on earth. The record of cures effected by this wonderful medicine, places it in the proud position of the only positive and unfailing cure for Kidney Disease, known to man.

In every township, village, town and city in the Dominion, Dodd's Kidney Pills have been used in cases of Kidney Disease, and every time they have been used, they have cured.

If there should be anyone who still doubts that Dodd's Kidney Pills will positively cure Kidney Disease of any form that person should ask Mr. John S. Morgan of this place, what his opinion is.

Mr. Morgan has written the story of the case—for he was the victim of Kidney Disease, and was made sound and well by Dodd's Kidney Pills, when the doctors had given up trying to help him.

For eighteen years Mr. Morgan endured the terrible agony of this complaint. The doctors could do him no good, and patent medicines were worse than useless. His weight decreased forty pounds, and he was weak, crippled and nervous.

Finally, in despair, he began to use Dodd's Kidney Pills. Almost immediately he was relieved. In astonishment he continued the use of the medicine, and when he had used twenty boxes, health and strength had returned to him. Now, robust and vigorous, he cannot sufficiently praise the medicine that saved him.

Dodd's Kidney Pills are sold by all druggists, at fifty cents a box, six boxes $2.50, or sent, on receipt of price, by the Dodd's Medicine Co., Limited, Toronto, Ont.

ENGLISH NEWSPAPERS DON'T LIKE SEC'Y GAGE'S REPORT.

LONDON, Dec. 7—The afternoon newspapers today take a gloomy view of the sec'y Gage's report. The Westminister Gazette's remarks on the subject are a fair sample of the comment indulged it. It says:

'Secretary Gage's programme, if carried out, will be a real disappointment to Great Britain for it cuts away the practical grounds for co-operation in colonial enterprise between the two countries where territory has been annexed and limits any joint effort in Cuba and the Philippines where the American status is undetermined.

SPAIN'S SAD CONDITION.

LONDON, Dec. 6—The Paris correspondent of the Daily Telegraph says: 'According to trustworthy news from Madrid, Spain is seething with sedition born of bankruptcy and ruin. One of the best informed men in the kingdom assures me that the chances of revolution are increasing.'

News of the Week.

HARCOURT, Nov. 30. Mr. John T. Kelly, of the Inland Revenue office, St. John, has been here for a couple of days, and today sent Constables Andrew Dale and Andrew McIntosh to Acadieville to arrest on a warrant one George Gothro for the illicit manufacture and sale of whiskey. The papers were issued by Benjamin S. Bailey, Esq., the veteran J. P. of the county.

NEW YORK, Dec. 1.—A seven story building on West Third street was almost totally destroyed by fire today. The loss on building and stock is estimated at $150,000; partially insured. The occupants were mat and clothing manufacturers.

It was nearly ten minutes after an alarm was sent in before the fire engines arrived. This was because the snow and slush on the streets made it impossible for horses to travel faster than a walk, and in its ten minutes start the fire gained so much headway that the firemen could do but little to check it.

LINCOLN, Neb., Dec. 1.—Fire destroyed the main building of the university, three miles from the city. It was a four-story brick and stone structure. Loss, $100,000; insurance, $50,000.

LISBON, Dec. 2.—Thirty-seven people, who were on board the British steamer Clan Drummond, from the Clyde via Liverpool for the Cape of Good Hope, previously reported totally wrecked in the Bay of Biscay, were drowned. The members of the ship's company saved number twenty-three.

The rescued are on board the British steamer Holbein, Captain Sherlock, from London and Antwerp for Rio de Janeiro, anchored off Cape Carocas, fifteen miles west of here with machinery damaged.

ST. PAUL, Dec. 3.—Another uprising of the Chipewa Indians is threatened. The game warden at Sauke Rapids has had a fight with four redmen, whom he attempted to arrest for violating the game laws. He was badly whipped, and State Game Warden Fullerton ordered that the Indians be taken into custody. The Indians declare they will resist all attempts to capture them and organize a rebellion.

BATHURST, Dec. 5.—The death of Mr. Patrick Flannery, formerly of Bathurst, occurred at Boston on Wednesday last. The remains reached here for interment on Saturday night. The funeral took place on Sunday afternoon at 2.30 o'clock from the home of his sister, Mrs. McGinley, to the Church of the Sacred Heart, and was largely attended. The service at the church was conducted by the Very Rev. T. F. Barry, V. G., and was most impressive. At the close the choir sang 'Nearer My God to Thee.' The pall-bearers were Messrs. P. J. Burns, W. R. Payne, Gilbert, J. J. Harrington, P. Wilbur and H. White. The deceased was 59 years of age and had many friends here.

FREDERICTON, Dec. 7.—The condition of Miss Steeves, Normal School student, of Hillsboro, whose life was despaired of last night, was somewhat improved today.

Two other Normal School students, Miss Kierstead, also of Albert county, and Miss Reardon, of Bathurst, are in the hospital with typhoid fever.

The breaking out of typhoid fever among the students following closely an epidemic of measles which prevailed among them, has caused considerable anxiety as to the sanitary condition of the Normal School building. Health Inspector Farrell is inspecting the premises this afternoon.

MONCTON, Dec. 7.—Owing to the rush of work on the I. C. R. nine new brakemen have recently been put out on the road.

An engine was derailed in the I. C. R. yard last night by jumping points.

I. C. R. Driver S. Watson received a despatch yesterday announcing that his brother, David Watson, driver on the C. P. R., had both legs cut off at Medicine Hat yesterday.

BOSTON, Dec. 7.—Agent Williams of the Portland steamship Coy. has returned to Boston and says that if any clue to the location of the hull of the Portland can be discovered divers will be employed in the removal of the bodies and personal affects.

LONDON, Dec. 7—Gen. Lord Kitchener of Khartoum Sirdar, of the Egyptain forces, started on his return to the Soudan this morning. A crowd of friends bid him farewell at the railroad station.

Doan's Kidney Pills.

How Do You Know?

A Kingston Man Says So.

Mr. W. J. Pappa, 112 Barrie St., Kingston, Ont., writes as follows: "Having been troubled with kidney disease for years, and not having received any permanent relief until I used Doan's Kidney Pills, I take great pleasure in letting others similarly afflicted know of the wonderful curative properties possessed by Doan's Pills. Before taking them I was troubled at night by having to rise, but can now sleep, and do not feel weary in the morning. I hope that this may induce other sufferers from kidney or urinary troubles to give Doan's Kidney Pills a faithful trial, for I know that no other remedy could have acted so well as they did in my case."

beam end on the starboard side, with decks and hatches submerged.

All her boats were gone except a small one, and there was no sign of life about her. A northwest gale blowing at the time, and the vessell was apparently fast settling by the head.

The Londonian sailed from Boston November 15 for London, in command of Captain Lee.

BOSTON, Mass. Dec. 4.—It is stated at the office of the Furness line in this city that the big steamer Londonian, which was righted on her beams ends by the steamer King Arthur, carried no passengers. Her crew numbered about eighty men.

Her master was Captain Lee, and she sailed from Boston on November 16 with 655 head of cattle and 4,500 tons of general merchandise, including 169,835 bushels of oats, 3,955 bushels wheat, 4,251 sacks of flour, 5,825 cases and 1,150 sacks of oatmeal 400 tubs of lard, 200 tubs of butter, 31 boxes of cheese 197 barrels of apples, 105 tons of hay 37 rolls, 265 bales, 377 bags, 62 cases and 10 bundles of leather; 520 steel anglers, 404 pieces of mahogany and a quantity of machinery, household effects, toys and other cargo. The valuation of the cargo is about $300,000.

YOUR DANGER NOW

Is from the overworked condition of the liver and kidneys which are unable to expel impurities from the blood. This causes rheumatism. Hood's Sarsaparilla has been wonderfully successful in curing this disease. It neutralizes the acid in the blood and permanently cures the aches and pains which other medicines fail to relieve. Hood's Sarsaparilla is the best winter medicine, because it purifies, enriches and vitalizes the blood. It gives help just where help is needed. It tones the stomach, stimulates the liver, and arouses and sustains the kidneys. It wards off pneumonia, fevers, bronchitis, colds, coughs and the grip.

WANTS $10,000 DAMAGES.

CANADA'S CLAIM AGAINST THE U. S. FOR RUNNING DOWN A CRUISER.

TORONTO, Dec. 7.—The Globe's Ottawa special says: 'It is probable that Sir Louis Davies will avail himself of the opportunity presented by his visit to Washington to secure an adjustment of the claim made by the Dominion government against the government of the United States for compensation for the damage done the Canadian cruiser La Canadienne by being run down by the United States war ship Yantic in the St. Lawrence opposite Quebec last fall.

The whole Dominion government claims it was wholly due to the fault of the captain of the American vessel. The amount of the claim is $10,000.

PLUNGED TO HIS DEATH.

Insidious Disease Lurks everywhere.

A bright young man in Grey County, Ont., thoughtlessly plunged into the lake at a summer resort when the blood was above the normal heat. The shock stopped the kidneys work. Poisons which should have been carried off were circulated through the system. Dropsy was the result, and one bright autumn the mourning badge was on the door, and a promising young life was snuffed out. He trusted himself to skilled physicians, but they failed to do what South American Kidney Cure would have done. It clears, heals and puts and keeps the kidneys in perfect action. A specific for all kidney ailments.

A BIG LOSS TO HALIFAX.

HALIFAX, Dec. 7.—The steamer Turret Chief which came from Quebec to be repaired in Halifax was taken from the Dry Dock today and will be repaired in New York. Halifax will thus lose fifty thousand dollars. Why the ship was not repaired here is not known.

NO SUFFERING IN CAMP.

From Dread Catarrh—Dr. Agnew's Catarrhal Powder Kills the Disease Germs and Cures the Distressed Parts—Relieves in Ten Minutes.

Alf. Leblanc, of St. Jerome, Quebec, says he used Dr. Agnew's Catarrhal Powder for an acute case of Catarrh in the head and it cured him. He has 125 men working under him in the lumbering camps, and what it has done for him it has done for many of them. He buys it for camp use and pins his faith to it as the quickest reliever for colds in the head, and surest cure for catarrh.
