### Miscellaneous.

An Irish Eviction. IRELAND IN THE 19TH CENTURY.

On Jine 3)th eight families we victed at Mi che Istown, Co. Cork there was on this occasion no resist nce to the sheriff, and the strongth of he force of the police and military a ne command of the official places pen resi tance on of the quiston The Fermoy flying clume, stro g einforced by Hussais I.om Cani and police from every station f nany miles around, was a di-ply of

authority too powerful to be attacked The force consisted of several hun tred of the 1st Roya's and 107th party of the Poval Engineers. The troops carried 6,000 rounds of ammu o clock, and at each succeeding farm the Q. ..., represented the Crown. ones are registered in Ottawa, and also vitien, and the Engineers were amply num er of specia ors became larger and Mr. Boon, B. L., defended the pricompaint. (n the ac dal day, how cam, aign. The colu n lett town t was smallet opeces with the crows to deer hanting, a habringing a gui. shortly a ter seven o'clock in the ar and pickaxe the police had there i cannot say whether the guisavere and morning under very depressing cir- venge to being kept stanling so long in d be one they left he tea q d cemun. cumstances. The heavy rain of the and as many as could en ered the house go with them at all that day. Eph aim precious night had left the roads in a fae method of ejecting those within was returned to he tent a little before dark very bad condi in for the infantry, very summary and very ejec we and one the same evening without Philips He There was still a most uncomfortable, or two of the min who showed signs of told me that he had shot Phoipus and drizzling downpour, which obscur d re istance received blow from the butt he told me not to tell anyone; that if I o jects a very short distance away. In the few persons who assembled to witness the departure maintained an distance and watched the tall if as they are of the the east that he would shoot me is gun was not loaded it is more persons who assembled to dren. The people retreated to a little orded it is more persons who assembled to distance and watched the tall if as they are of the theast that he would shoot me is gun was not loaded it is more persons and the formula of the first transfer of the contract of the contract of the first transfer of the contract of the contr attitube of stolld indifference, ank no flung out the furniture It was quite me it t told anyone. On the to lowing shout or exclamation; betrayed their clear from the temper of the people as morning E or in myself and chill went feeling until the tail of the column had well of the contabulary, that a small to the pice where the body was. We disappeared into the country road pretext would leid to a serious encounte from I Philipus, was I recognized as my Then a derisive cheer was given, and It was at the next farm the resident husbant ying lead, with his tace on the some of the less discreet called out throughout with kindness and fo ebeur- his nick behind, and his gar wes lying that the soldiers did not know what was blore them. The expedition was blore them. The expedition Messrs, O'Neil and Skinner, the secretars Ephraim wrapped up the body in a deer proceeded signtly and slowly for a les respectively of the Cork and Mit- kin and wadraggs laim some distance,

Mannix. The Mannix family, it was the premises and cuttional not to rea leged, were the leaders of the La- turn and fr m that period the people Of every description neatly gue in the district, and two of them began to get excited. On the way to were arrested recently, and are now the eighth eviction it was found that the in Lime ick goal, A small river separ ash tree which had been sawn down an t ates Manuix's holding from the road, ay across the road. The B gineers and on arriving at the stream it was were instantly old rel to the front, found that not only had the bridge been removed, but another stream had natchet and saw, the hatchet, the forbeen turned a which had the effect of a libbe obstruction by these removed. producing a telerably strong current Tim Rigine as worked with amising The column halted suddenly. Suo leactity, and did their business most ten ing su seri ers will therefore conf r Inspecto. Carter colling u, on his mer fie ively. The approach to the to following ju aped into the liver and one, which ay at the end of a boreer ance guard of consta ulary followod his example with an amount of a ac rity which quite discomitted a smail clowd of speciators who stood on the opposite bank. The police immedia I, charged the cr. wd and gave a tew that he would not stand any more none of them canse to remember the incilent for some time time to com . The people a fled in ev ry direction, and was quite evident that the police wer not at all grateful to those who had added this wetting to their other dis omfort. The main body of the ness of the proceeting, when only enolumn halted while the police advancd to Mannix's residence. Here als vas quiet, -the door was closed of arricaded. The sheriff demanded dmittance, which was refused. The loor was, therefore, broken in. and fannix, sucrounded by a number of riends, was found in the kitchen. The ailiffs proceeded to throw out the arniture, but Mannix quickly agree lields at each side to enjoy the discomispay not only the sum due, which are of the troops, but in this they were as £27, being one year's rent for 3: disappointed, for the police in tautly cres, the poor law valuation for which look to the fields and dealt unmercis £1 an acre, but also about £10 tul blows indiscriminately. It was ots. The money was paid in half fully half an hour before the road was otes, which were so mixed up that a cleared of the trees, as it was raining reat deal of time was lost in fitting all the time in the most dreadful way. hem together. The sheriff had anti- The troops were in a sail plight, and ignited that the rent in some case by the time they reached the town they would be tendered in three-penny were dangerous men for the mob to pieces, with the view of delay and trifle with, No disturbance, however, imbarrassment, and he had, theres took place, ore comp proja ed with a pair of scale u which to weigh the small coins it lump. The second farm visite as also held by Mannix and pair bont two hundred pounds to th ierif, neluding about thirty pound

t. Then xt eviction was at the olding of a well to do firmer name rase, who is vices resident of the ocal Land Lagne. Faser was sai be a Constructive in politics, and a was the only ease in which the ital Cerps, with several hundred of Land Le gie tre uppylig the fun's If Jabez Vey, Peter Molloy and Elgar he Royal Irish Constabala y and a so, the ta ance of £40,000 will special Percy. disappear. Six evet o is with the same The Acting Attorn y General the Hons equipped with tools as when in an more threatening, until at length, when somer. enemy's country. This imposing mis the seventh hou e was being cleared o itary demon that it was made unde its occupants, the police now drenched the command of Colonel Stuart, of the with rais and cov rel with mad, found It Royals, while Mr. Ea on, R M., sn s qu'n ly to six ay mets and a lyance represented the civil authority. The access the a do. this had a salutuy flying column had been under canvas effect. The house of Join Corbett was or the bau ind demoste of Mitchells found to estough our raded and the ollows own Castle f r three days, and as the window closed and buried. A number Westher was fine u til the previou of wom a famted the heriff from the the deca ed Palpus. I was my jed uight, the troops had no cause of upper windows, while behind him stoo o him about the versage. I we make I rge number of men scowing down in ried a second time in February last to me police in the mot monacing way. Lik m. M. hie, I em m'r Saturd y, ver, they endured, as did all engaged T e work of break ng in he do r occupic 18th day of epein er, 1881 On that n the expedition, qui e as much jed a c us dera le time, and g eatly to in min; m the hashind Pulipus and hardstip as you I suffice for a whole the deligh of these inside. The moment his steplat e left in ir tent together to

and in ten minutes, by the use of a was performed cauriously, as opposiion was expected, but the police with Da ons, and efferwards with fixed bayo. net; chased the people across the delds. Mr E ton hat previously caus tioned Messrs. O'Neil and Skinner en e, and that if there was the least letay in obtaining admission to the louse he would smish in the wine lows. Mr. Eston remonstrated with the t nant, a respectable ooking fa m r nam d ...ow itd as to the foolish? tailed on him the expense of a new door and a window, but he replied that he was bound to res st. On the way back to ditches own it was found that fle or ix enormous rees had been felled and ay across the roul complete y burng ill progress. Again the En mee's we e ordered forward, and they set a out sawe ag up and clearing up the o struction. leanwille a number of people had gis hered on he road and as embed in the

## TRIAL OF THE ESKIMO EPHRAIN.

The Jury Find a Verdict of Wila ful Murder Against Him:

The Accused Sentenced to Death.

The trial of the Eskimo prisoner ering dil not find it necessary to who was charged with the wilful murbt in almission by force. In fact der of his stepsen Philpus at Tikkon. Fraser met the officer half way on tokak Creek near Nain, one of the in ro. d and accompanie! him to his Moravian settlements on the coast of Labrador, was commenced in the Suonse, where he paid him £100 and preme Court on Thurs ay morning last osts, being a year's rest for 205 agre. of he the ed Liges and the follows teex lained that it was merely asserting ing gentlemen who omposed the Petry a p meiple.
