### ITALIANS IN MONTREAL EXPLAIN EASTERN QUESTION

ISSUE BULLETIN TO THE PRESS SETTING FORTH CLAIMS CONCERNING FIUME IN ORDER TO ENLIGHTEN READERS.

The Journal is in receipt of a bulletin from an Italian news bureau in Montreal in which a statement is made covering the position of Italy with respect to Fiume. It declares that the people of the latter place want to be united to Italy. The statement is published for what it is worth and as a partial explanation of the situation as viewed by Italians.

The Canadian public and press will never be in a position to understand fully and justly Italy's aspirations upon Fiume unless they are told the fundamental reasons for the union of this latter city to her mother country, Italy.

ONE OF THE REASONS. It may be true that Fiume was not included in the Treaty of London of April, 1915, but it is also true that Italy renounced to Fiume because of the pressure from Russia, the protector of the Slavic race, and in order to please that nation which at that time was one of the Allies.

ROUTE FOR WEDNESDAY. Route for Wednesday: York, Chaplin Avenue, Lowell Avenue, Russell Avenue, Haynes Avenue, Lake Albert, Vine, Bertram, John.

Italian National Council proclaims the City of Fiume united to her mother country, Italy. The Italian National Council declares merely as temporary the condition of affairs realized on October 29, 1918, puts her determined action under the protection of America, and waits for the sanction of it by the Peace Congress.

EXPECT TO REACH HOME FIRST OF JUNE. Artillery Section of 4th Division Arrived in England From France.

Dr. F. King, has just received a cable from his son Brig. Gen. Wm. King, that the artillery section of the 4th Division has arrived in England from France, and that its members are expected to arrive back in Canada by June 1st.

PROCLAMATION. The Italian National Council of Fiume, meeting this day in full assembly, declares that, by virtue of the right by which all peoples have been raised to national independence and liberty, the City of Fiume (which hitherto has been a separated Italian national municipality) affirms for herself also the right of self-determination.

TURNED IT DOWN. The members of St. Catharines Local No. 416, International Typographical Union, held an important business meeting last night.

ORGANIZERS OF POLAND—General Haller, the Polish General at left, and General Henrys, French General at right, who have organized a defensive front against Germany and Russia.

### THE ANGLICAN LAYMEN HOLD FINE BANQUET

Rev. Dr. Renison of Hamilton Gives Splendid Address Before Representative Gathering at the Welland Last Evening.

There was an exceptionally large attendance at the banquet held by the laymen of the Anglican Churches of St. Catharines and district at the Welland House last evening, and after ample justice had been done to the many good things provided, some interesting addresses were delivered.

Archdeacon Perry presided at the banquet, and representatives were present from almost every parish in the district.

Archdeacon Perry, in calling on the speaker of the evening, said that there was a movement on foot to make the Diocese and the Church prominent the world over.

A FINE ADDRESS. The guest of honor was Rev. Robert J. Renison, pastor of the Church of Ascension, Hamilton, and a former incumbent at St. George's, who gave a most interesting address, during which he called attention to the scenes of darkness and desolation through which we have passed during the past fifty months.

He also pointed out a few of the spiritual realities that are fundamental in the life of the men and nations which survived the trials and testing of the great world war.

Dr. Renison was warmly applauded when he sat down.

F. H. Keefer, K.C., secretary of External Affairs at Ottawa, also gave a short address in which he drew attention to the advisability of a League of religions, as there were many big problems to be faced which could be faced in a better way by the churches getting together.
