C. F. HAYES.

MONDAY, APRIL II, 1910. According to Ottawa despatches Mr. Borden has decided to get rid of some of his lieutenants before meeting the thing either as to Mr. Borden's courvide. He tells us in effect that the vention. There is other evidence to an occasion to notify Mr. Foster of rebuilt before it will be safe; that in rect. The Toronto News, which seems to have been adopted by Mr. Borden or to have adopted Mr. Borden, has been tendering him advice in this direction for some time. It demanded with some vigor and persistence the more recently has been assailing Mr. Had it been otherwise, the humilia- whole commissioner system as operat-Monk as not only useless but as being tion might still have been postponed ed here must be overhauled if we are a menace to Mr. Borden's position a few weeks in hope that Mr. Foster to escape a spectacular and disastrous and peace of mind. The Toronto would have been in better health of break-down of the municipal ownerbody and mind, All reports to the ship policy. speak for Mr. W. F. Maclean M.P. comes out boldly with the assertion that half the members in the House have decided to get rid of Mr. Borden. The counsels of his friends and the warnings of some dissatisfied members are therefore to the effect that if Mr. Borden values his position he would forefront of the party in consequence be pronounced. As to why the con-Parliamentary colleagues from posi- the House and in the country. He leaves the Council to escertain in detions of influence in the party before fought through an election campaign tail and to take what administrative tre braves gather in council. Most, if with Mr. Foster as his alternative to action may seem to be called for in made of the new-comer whom some not all of these undesired lieutenents Mr. Fielding. All that he could do to the individual case. It is clearly in-Mr. Borden inherited from the era reinstate Mr. Foster in the treasury tended to provide the Council with a to lock after. Another wanted an exof disruption which followed the pas- department was done. He cannot be working basis on which to prosecute the generals of Napoleon, the chief was no sooner gone than the marshals began a struggle for mastery among dim. He can only be doing so bebegan a struggle for mastery among cause Mr. Borden recognizes he can-about. It equips the Council with an in, it is understood, by Sir Charles the front rank. The veteran falls, leaving the Council to find out why Tupper, in hope that under a new therefore, not for what he has done, it is and to take such action as may leader the warring elements might therefore, not for what he has done it is and to take such action as may but because of what his leader cannot then seem necessary to prevent a redo. Whatever Mr. Foster deserves he currence. Without such action indeed the investigation is understood to be mony and co-operation necessary to does not deserve this. Had his retire- the report would do little good and shout \$4,000. It would cost comparapresent a tolerable front to the foe. does not deserve this. Had his retire- the report would co nucle good and ment been demanded when the report might do much harm. Its tendency tively little more to make its contents. The result has scarcely justified the of the Commission made his conduct must be to unsettle the public mind available in full to the public. It hope. Whether the fault lie with Mr. Borden or with the others there of health and strength of mind and none is deserved. Its influence upon the small extra expense for the sake none is deserved. Its influence upon the small extra expense for the sake of health and strength of mind and none is deserved. has been neither coalescence nor har-body he was in position to take care the credit of the City, too, is worth of getting as much value out of the mong. Having failed to fuse the dis- of himself, he could have had little thinking about. We must go into the cordant elements Mr. Borden seems of himself, he could have had little lilling about. We must go into the complaint to make. But that was not money markets yearly for more capital possible. The ratepayers are entitled now to have made up his mind to complaint to make. But that was not money markets yearly for more capital to an opportunity to peruse the central done. Instead, he was defended with which to extend our utilities. We get rid of them and to replace them through thick and thin by the leader cannot afford to do so with a report of port at leisure and would no doubt the sub-leaderships with man more than the cast of making this nor in the sub-leaderships with men more who now demands his retirement. Mr. that kind in the hands of the men loyal to himself and more willing to Borden was entirely willing to defend from whom we hope to get the money,
