WOMAN'S HEALTH WHEN FORTY-FIVE

A Critical Period When Dr. Williams' Pink Pills Are a Real Blessing.

Dr. Williams' Pink Pills are also the finest medicine that ever a woman took. At special periods a woman needs a medicine to regulate her blood supply or her life will be a round of pain and suffering.

It is at such times that Dr. Williams' Pink Pills are worth their weight in gold for they make new, rich blood, that banish the secret symptoms of distress that only women and growing girls know.

They strengthen every vital organ for its special task, and bring rosy cheeks and shapely forms that tell of normally healthy and happy days.

Miss Richard Lobb, Red Deer, Alta., says: "At that critical period in my life known as the change, I suffered so much that I had to give up my regular diet for months, but did not get any relief, and I grew so weak that I could hardly walk about, and was unable to do any of my usual work."

Only women who have suffered similarly can tell how much relief this medicine brings. No woman could have been in a more wretched condition than I was at the time, but after using your Pink Pills, I feel a new woman, and am enjoying better health than I have had for years.

Not only have Dr. Williams' Pink Pills worked a blessing to me, but they also worked a great change in the health of my daughter, who was in a very miserable condition after the change. I have also of two young girls, whom I believe would have been in their graves now but for the use of Dr. Williams' Pink Pills.

Considering what they have done for me and what I have seen them do for others, I am justified in my enthusiasm for this medicine and I never lose an opportunity to recommend it.

Send for medicine dealers or by mail for 50 cents a box of six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

SASKATOON WOMEN TERRIBLY BURNED

Wife of Medical Health Officer Suffered Burns Which He Feared Would Result Fatally.

Saskatoon, Oct. 4.—A most serious affair occurred about six o'clock this evening, and as a result of which Mrs. Mackay, wife of Dr. W. J. Mackay, medical health officer of Saskatoon and member of provincial board of health, lies at her home with little hopes of recovery.

Mrs. Mackay, who is 35 years of age, appears to have been engaged in making the evening meal when, in some unaccountable manner, her apron became ignited, and before she realized, just what had happened her clothing was a mass of flames. The agonized woman ran from the house in flames, the blaze attracting the attention of some laborers working nearby who rushed to her assistance, but not until her clothing was burned completely off, and the body left a charred and blistered mass.

Tonight the unfortunate lady is in terrible agony and may succumb to the injuries. Mrs. Mackay before her marriage was a Miss Peters and formerly lived in Manitoba. Not the least pathetic part of the incident is the fact that twin babies but a few months old are dependent for life upon the injured mother.

Mr. George Branson, a farmer living a few miles out of Paken, while walking in the woods on his farm recently found an Indian flint arrow embedded in an old stump.

A "hop" was recently seen at the home of Mr. Simon Whitford.

Mr. Weir, teacher at the Riverside School, left to resume his studies at McMaster University, Toronto.

Mrs. Jack Smith and daughter, Roma, have recovered from a severe attack of tonsillitis.

Mr. Adam Herberston was married in Edmonton on the 24th. Mr. Herberston is one of the most prosperous farmers along the Saskatchewan, and has many friends with him every success in his business.

The Mitchell Milling Co. are making extensive alterations on their plant.

Large shipments of cattle are being made from this district. Over one hundred head of the property of Mr. Hatten, of Whifford, and Mr. Robert Stirling, of Whifford, crossed the river this week.

The Labor Day celebration, which was postponed on account of rain, took place yesterday and brought together the large crowd of witnesses the football match between Paken and Pine Creek and the athletic contests.

The football game was won by Paken, while Edson Whitford captured the sprints.

As was expected, the football game was a pretty good one. The next goal was scored by Pine Creek in a mix-up in front of Paken's goal. Ten minutes before time was called Paken scored a pretty goal. The next goal was scored by Pine Creek in a mix-up in front of Paken's goal. Ten minutes before time was called Paken scored a pretty goal.

The following is a list of the winners in the various events:
