WARNING!

IN THE INTEREST OF THE PUBLIC SAFETY.

The Rifle Range on the South Side Hill will be in constant use, from daylight till dark, for musketry practice, until our Regiment leaves for England.

All persons are therefore prohibited from approaching the Rifle Range within 200 yards from either side, or within 1,000 yards of the targets to the eastward.

Any unauthorized person so doing will be liable to arrest, besides incurring serious danger from rifle bullets. A number of red flags will be used to indicate the Danger Zone. This prohibition does not extend to any part of the Hills west of the 800 yards Firing Point.

William Frew

If your teeth are bad and need attention, you could not do better than call at our office and profit by the experience gained from 23 years' practice in Newfoundland. If gone beyond repair, it will be to your advantage to avail of the rooms equipped and furnished where you may have a doctor put you asleep and your teeth carefully removed. We believe that the convenience of our chloroform rooms to those who avail of them will repay for all the extra expense in maintaining them. Remember, there is no extra charge and that you will be attended by a lady.
