And see how nice the reflection of some room looks, with the firelight gleaming on pictures and furniture, and the friends you love smiling back at you in the glass.

¶Then—see how bare and unfinished some room of yours without Mirror or Overmantel looks by contrast.

¶Then—go to the Showrooms of the U.S. Picture & Portrait Co., see the large selection of beautiful Mirrors and Overmantels they stock, make your choice of one, have it sent up right away and

¶Then—you'll wonder why you were so slow at making such a great improvement in YOUR room.

Do You Weigh the Cake of Soap You Buy?

The increase in the cost of nearly everything that is used in the manufacture of soap makes it impossible to give the same size, same weight and same quality as heretofore, without increasing the price.

> Some soap manufacturers have cut down the size and reduced the quality.
