## Typewriters at a Bargain!

### A FIRST-CLASS Typewriter at \$65.00

Exactly the same as that we sold to one of the largest local manufacturing companies 5 years ago, and of which, writing to us in Nov. 1917, they said: "The Typewriter purchased on March 4th, 1913, is exactly the same as you represented at the time of sale, and is still giving entire satisfaction." You can have the same service and the same satisfaction if you buy your Typewriter from us, for every Machine we carries with it a DOUBLE GUARANTEE—the Manufacturer's guarantee and our guarantee.

We have also just received a WIT CARRIAGE UNDERWOOD TYPEWRITER, only one, you get it for \$85.00, which is from \$50.00 to \$75.00 less than you can buy this Machine anywhere to-day. Come in and see it. If you can afford to pay \$65.00 for a Typewriter, come in and see the 7 REMINGTON we have, that we are selling at \$50.00; you never saw a greater bargain. No excuse as to why without a Typewriter now—at these prices it is a necessity. Remember we guarantee them, and remember we are saving you from sixty to eighty dollars, according to the Machine you buy.
