Since buying and pricing most of the Hosiery mentioned above, costs of same have advanced 30 per cent. to 50 per cent. In many cases we are to-day, therefore, selling Hosiery at far less than it will cost to replace to-morrow. It may therefore cost you much more to replace your Hosiery next day than it does to-day. Better stock up now.

Forty Years in the Public Service—The Evening Telegram

No More Book-Keeping.

Mr. Storekeeper, did you know that with the new NATIONAL Credit Register which was invented last year, the latest and most improved invention of its kind, you can now safely dispense with bookkeeping. No daybook is necessary, no laborious writing out of monthly accounts. The new system with one writing keeps an up-to-the-minute statement of each account, and can never get behind. You don't need to experiment. Our new file has been adopted in about 40 lines of business. Write for list of satisfied users in Newfoundland.

The National Credit File is fireproof, and the most compact file made—only ten and a half inches high. Certain files are so-called dropproof, but there is not a slip file on the market (outside of the National Credit Files) which is proof against mistakes, carelessness and temptation. A merchant may insure himself against loss of goods by fire, but he cannot realize anything on goods lost through FORGOTTEN CHARGES, through dissatisfied customers, and through mistakes and carelessness.

Remember in dealing with Mr. Chown you are dealing directly with the National Cash Register Co. The National Account Register carries the same guarantee as our Cash Register, which has made our name famous the world over.

National Cash Registers from \$50.00 to suit every kind of business—large or small—pay for themselves out of the money they save.

Write or wire for particulars and prices. We supply freight and duty paid, on easy monthly terms of payment if desired, without extra charge, or allow a liberal discount for cash. Call and inspect the specimen file at our office.
