

THIS MORNING'S DESPATCHES
Election Riots in Georgia.

Terrible Railway Accident in England.

Spanish Monastery Burned.

Macon, Ga., Oct. 2.—A serious riot occurred at the polls in this city between whites and negroes. One white man was killed and five or six negroes wounded, two of whom have since died. The whites claim that the whole affair was premeditated on the part of the negroes, and that it was their intention to take forcible possession of the polls. The negroes claim that they were driven from the polls by violence, and could get no chance to vote.

Madrid, Oct. 2.—A despatch from the Town of Escorial, 24 miles north-west of this City, announces that the celebrated Monastery of the Escorial was struck by lightning this evening. The building was quickly on fire, and so rapid was the devouring element that the dome and tower of the magnificent edifice have already fallen. The Royal Palace, with its splendid library of books and paintings, and rare and costly manuscripts, is now in flames. At the date of this despatch there is apparently little hope of saving from destruction the Mausoleum as well as the summer residence of the Spanish Kings. A brigade of engineers, fully equipped with materials for use in such emergencies, has left Madrid for the Escorial.

London, Oct. 2.—A terrible accident happened this morning to a passenger train from this city to Edinburgh. While running at a very rapid speed it came in collision, near Kirtle Bridge, with a freight train, causing the instant death of nine persons. Many others are injured, and it is feared several of them will die. But few details are received. All despatches agree in stating that the train was behind time, and was running at a furious rate to make it up. The scene of the disaster is not far from Carlisle, the capital of Cumberland County, and a train has been sent from the town to bring in the dead and wounded.

POLICE COURT.

Before T. W. Saunders, Esq., P. M., Oct. 2.
E. Billings for being drunk and disorderly fined \$1 and costs. W. Billings for the same offence, dismissed. Catherine Ogilby and John Collins for the same offence, dismissed.
Wm. Rodgers and Geo. Clark for working a lottery on the Show grounds were each fined \$20 and costs.

Local and Other Items.

Kingston sailors are on a strike for higher wages.

THE LATE ARREST.—It was Jas. T. Nichols and not Chief Constable Kelly who are arrested Thomas Kenney on Tuesday.

The Markham baby show is spoken of by parties present as a great success. The prize baby, nine months old, weighed forty-four pounds.

CONCERN.—On the motion for the third reading of the By-law for issuing debentures, at the County Council meeting, on Tuesday, Mr. Gibson of Garafra, voted nay instead of nay.

THEATRE OF ARTS.—Don't forget Horwath's tableaux of Erin to-night in the Drill Shed. They also present scenes in the late Franco-German war, and a splendid Comedy Company assists in the performance.

We have received a circular from Mr. Wm. McBride, Secretary of the Western Fair, stating that the Governor-General of Canada and the Right Governor have promised to visit London during one of the days of the Western Fair. The precise day is not mentioned, but it will be either on Wednesday or Thursday of next week.

OPEN LODGE MEETING.—The members of Beaver Temple, I. O. G. T., will hold an open meeting in their Hall, adjoining Thorp's Hotel, commencing at 7.30 this evening, when will be delivered addresses, music, recitations, dialogues, &c. The public are invited to attend. Admission free. A collection will be taken up to defray expenses. A pleasant time may be expected.

TEMPERANCE SOCIAL.—The meeting of last evening in the Good Templars' Hall was in all respects a grand success. About 300 sat down to tea, and were well satisfied with the variety and abundance of the substantial and dainties supplied. The Rev. Mr. Wood, who is a model chairman, presided, and by precept and example proved that in speech-making "brevity is the soul of wit," as well as the essence of propriety on all such occasions. Recitations, dialogues, songs, &c., of a highly moral and interesting character, were rendered by parties who, in addition to the exercise of native talent, evinced that careful preparation which can alone be productive of such proficiency as to meet the unqualified approbation of an appreciative audience. The evening was pleasantly and, we believe, profitably spent, and we hope the Good Templars will provide many such treats during the coming winter.

THE REASON WHY

Dr. Wheeler's Compound Elixir of Phosphates and Calaya is called a Food and Nutritive Tonic, because Phosphate constitutes more than half the material of the human body, and is absolutely essential to the growth of Bone, Muscle and Nerve, which cannot attain full development without them. They promote a good appetite, perfect digestion, create pure, healthy, vitalizing blood, and supply the waste constantly going on in the system as the result of mental and physical exertion. Being combined with Calaya, the Peruvian Bark, the only specific for Chills and Fever, and that condition of Nervous Prostration and General Debility arising from low vitality and exhaustive diseases, it forms an elegant and agreeable, invigorating Tonic, purely physiological in its action, that may be taken safely under all circumstances, and will disengage the constitution in the same manner as our daily food.
