

**CANADIAN LITHOGRAPHIC STONE.**—Lithographic stone is, as our readers know, found in various places in Canada, and this valuable substance is equal in quality to what has hitherto been brought at great expense from Bavaria. The Norland Stone Co. are now getting out this sort of stone in Laxton Township, back from Lindsay, Ont., and from the results of trials with specimens, its fitness for even the finest kinds of Lithographic work is assured.

**THE LIQUOR LAW IN ONTARIO.**—Orillia is just now the scene of considerable excitement, the cause being the severity with which the infractions of the law respecting the sale of liquors have been dealt by the local authorities. The principal case at present is that of a leading merchant who has been convicted on two offences, for the first of which a fine of \$20 was imposed, and for the second a sentence of imprisonment for thirty days at hard labor was recorded. It appeared from the evidence that the sales for which these convictions were secured were made against the distinct orders of the man, by his clerks.

Mr. Peter Robb, of Maryboro, has sold 200 acres of land on the 4th Con. of that township, to Mr. Kerr, of Peel, for \$10,000.

**BREAKFAST.**—Epps's Cocoa.—GRATEFUL AND COMFORTING.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills.—*Chief Service Gazette.* Made simply with boiling water or milk. Each packet is labelled—“James Epps & Co.” Homoeopathic Chemists, London. 1/6-9m

**Special Notices.**

**THE GREAT SUPERIORITY OF DR. WHEELER'S COMPOUND ELIXIR OF PHOSPHATES AND CALIYNS** consists in its being purely physiological in its action in restoring all forms of debility by supplying the waste of tissues resulting from mental and muscular exertion, and thus preventing nervous prostration and general debility. For building up constitutions of low vitality from scrofulous or consumptive diseases, or impaired by dissipation and bad habits, it is unequalled, as it immediately imparts energy to the digestive apparatus, and creates healthy blood, toning and vitalizing all the organs of the body in the same manner as our daily food, or consumptive diseases, are the only compounds of Phosphorus assimilated by the system, and are Nature's agents for maintaining the vital powers.

**THE GREAT ENGLISH REMEDY.**

**Dr. Williams' Pink Pills for Pale People.** Cures all Nervous Diseases, such as Tremors, Debility, Prostration, etc., which, in many cases, are produced by over-indulgence in the use of tobacco and alcoholic spirits; but the Specific Medicine is more especially recommended as an unfailing cure for seminal Weakness, Spermatorrhoea, Impotency, and all diseases that follow as a sequence of Self Abuse, or Loss of Memory, Universal Lassitude, Pain in the Back, Dimness of Vision, Premature Old Age, and many other Diseases that lead to insanity or consumption, and a Premature Grave, all of which, as a rule, are first caused by deviating from the path of nature and over-indulgence.

The Specific Medicine is the result of a life study and many years of experience in treating these special diseases. Full particulars in our pamphlet, which we desire to send free by mail to every one. The Specific Medicine is sold by all Druggists, at 25¢ per package, or six packages for \$5, or will be sent by mail on receipt of the money, by addressing—

**SLATE ROOFING PAINT!**

AGENTS WANTED IN EVERY TOWN.

A Roof may be covered with a very cheap shingle, and by application of this slat may be made to last from 20 to 25 years. Old roofs can be patched and coated, looking much better and lasting longer than new shingles without the slate, for ONE THIRD THE COST OF RE-SHINGLING. The expense of slating new shingles is only about the cost of simply laying them.

**The Paint is Fire-Proof**

against Sparks or Flying Embers, as may be easily tested by anyone, and appears from the fact that Insurance Companies make nearly the Same Tariff as for Slated Roofs. For Tin and Iron it has no equal, as it expands by heat, contracts by cold, and NEVER CRACKS OR SCALES. For Fences it is particularly adapted, as it will not corrode in the most exposed places. Roofs covered with Tar Sheathing Felt can be made water-tight at a small expense. The Slate Paint is

**EXTREMELY CHEAP!**

Two gallons will cover over 100 square feet of shingle roof, or over 400 of tin or iron. No Tar is Used in this Composition, therefore, it does not effect the water from the roof, if turned off from the eaves before the first few rains. On Decayed Shingles it fills up the holes and pores, hardens them, and gives a new, substantial roof that will last for years. Curled or Warped Shingles it brings to their place and keeps them there. It fills up all holes in tin or felt roofs, and STOPS THE LEAKS. The color of the slate when first applied is dark purple, changing in about a month to a light uniform slate colour, and is, to all intents and purposes, SLATE. The Paint has a very Heavy Body, but is easily put on, and, although a slow dryer, rain will not affect it in the least one hour after applying.

**ROOFS EXAMINED. ESTIMATES GIVEN.**

And when required will be Thoroughly Repaired. Orders Respectfully Solicited.
