BRONCHOS WIN SWATFEST FROM MAD HATTERS

The Score at the Finish of the Slaughter Was 13 to 2 in Our Favor

WESTERN CANADA LEAGUE

Saskatoon	11	3	.786
Calgary	8	4	.667
Moose Jaw	10	7	.588
Medicine Hat	6	10	.357
Edmonton	4	8	.333
Regina	5	12	.294

It was not a baseball game last night at Victoria park—it was a slaughter. The innocents from Medicine Hat were the victims of a swatfest in which most of the swatting was done by Calgary. The net result of the Calgary slugging bee was 13 runs, while the best that almost homeless Hatters could do was to collect a grand total of two runs, one of which was a homer by Morse, the second man up in the first inning.

The game was just as lopsided as the score indicates. Hurley had nothing but his hand on the ball and sometimes he wasn't sure about that. By the word Hurley is meant the man who did the twirling for Medicine Hat, not the illustrious Bill who is bossing the Saskatoon pennant chasers. If Bill's team ever had a score like that against them there would be some language used which would not look very well in print.

The spirit manifested by the Hatters was in direct contrast to that of the Moose Jaw Millers, who were here the first part of the week. This may be accounted for by the uncertain ideas that the players have of just where they will be playing after this week.

Lefty Wainwright twirled a very steady game for the Bronchos and although he was hit rather freely he was light in the pinches and was given good support by his teammates.

The following is the tabulated tale of the conflict:

HEAVY TRAINING FINISHED FOR BOXING PRINCIPALS

Both Boxers Are on Edge for Big Fracs—Special Cars Leased for Crowd

Heavy training days for Luther McCarty and Arthur Pelkey are over, as far as the battle between the giants tomorrow at the Manchester arena is concerned. Both big men finished their actual work yesterday, and today will indulge in only the lightest kind of work to keep their muscles supple in preparation for the bout tomorrow.

Pelkey will take a short spin on the road this morning, and repeat in the afternoon. McCarty will confine his work to lariat throwing in the gymnasium, Manager Billy Carney's grouch being the objective point. Ever since McCarney finished paring down Tommy Burns complimentary list he has been possessed if the biggest grouch in Calgary, and Luther will do McCarney's friends a real favor if he can lasso, tie and choke the grouch before the arena opens tomorrow morning.

Owing to the numerous picnics scheduled for tomoorow, magnate Tommy Burns has been compelled to lease speciti electric cars to carry the crowds to the arena tomorrow. Sixteen cars have been leased by Burns, the city charging a big advance over the usual prices. In order to get out with a whole purse Bu rns has been compelled to set a flat price of twenty-five cents each way for fares.

BIDDY BISHOP TO REFEREE BAYLEY-BARRIEAU GO

Vancouver, May 22.—Biddy Bishop, the Tacoma sport writer, will be the third man inside the ropes when Joe Bayley defends his lightweight title against Ernie Barrieau next Saturday evening. Chet. McIntyre and Morris, managers of Barrieau and Bayley, respectively, got together over the long-distance phone yesterday and after suggesting four names finally agreed on the Tacoma man. Bishop has had 22 years' experience in the ring managing boxers and refereeing contests, and recently handled the Campbell-Hyland bout. He will arrive here on Friday and visit both camps before the contest.

Central Practice.

The Central Lacrosse club will practice tonight between 6.30 and 7.30.

THIS TEAM CERTAINLY HAS FINE RECORD

If a professional baseball team in any league in the world had scored 132 runs thus far in the season and had only had 21 runs scored against it, wouldn't there be some talking and a mob of big league scouts looking over the bunch! There is a team right here in Calgary—not a professional one—which has this record, and furthermore, has not yet been defeated this season. It is the Class B team of the Practice school in the Public School league—the most successful amateur baseball league in Western Canada. The Practice team is composed of boys averaging ten years of age. The same team has played all season, and not a single change in the lineup has taken place. A future great, by the name of McFarland, does the twirling. Last night his team defeated the Sunnyside team by the score of 34 to 4. The team won the championship of the league last year, and has practically cinched the honor again this season.

STEEL HELD THE ESKIMOS FOR SIX INNINGS

Indian Skeels Only Man Who Could Solve Sensational Twirler's Delivery

Edmonton, May 22.—Moose Jaw's sensational young twirler, Steele, blanked the locals tonight until the ninth inning when Redmond's single, a base on balls ot Spencer, Wilson's double and Whisman's sacrifice fly sent two runs over. The Robin Hoods made five runs behind Steele and the youngster gets credit for another win, 5 to 2. Heavy hitting by Weed and O'Day accounted for most of the visitor's runs. The game was featured by a sensational one-handed catch by Skeels in centre field in the seventh inning, which robbed Rossback of a home run. The Indian took the ball away back over his shoulder while on the run and received a great ovation from the crowd when he came in. Skeels was also the only local batter who solved Steele's curves with any degree of success.

QUAKERS MAKE IT FOUR IN A ROW FROM SOX

Heavy-Hitting Fracas at Saskatoon—Poor Exhibition in Which Leaders Won

Saskatoon, May 22—Piling up seven runs in the first three innings, and adding the eighth in the fourth inning, Regina fell before the Quakers today for the fourth time, the final count being Saskatoon 10; Regina 8.

It was a poor exhibition with lots of hitting and poor fielding. Hurley, Manning and Gwynn all were on the slab for the locals. They were touched for eleven hits, Gwynn finished the game and showed the best form of the bunch. Tallieferro started for the visitors, but became wild in the fifth and was replaced by Beer who was in fair form.

Walter's double in the eighth with Holmes and Harper on the sacks, brought in the two winning runs.

ED. W. SMITH TALKS TO JAW FANS OF BIG BOUT

Referee of McCarty-Pelkey Bout Tomorrow Discusses Heavyweight Situation

Moose Jaw, Sask., May 22.—Ed. W. Smith, the Chicago sporting writer, who is to referee the Luther McCarty-Arthur Pelkey fight in Calgary on Saturday afternoon, passed through here today on his way to that city. Mr. Smith was met at the depot by a group of Moose Jaw sporting fans, and talked freely regarding the big battle in Calgary.

"The winner of this fight is almost certain to meet Gunboat Smith in California, so this adds to the importance of the event," said the genial Eddie. "I was rather surprised at Smith defeating Willard, as the latter had all the natural advantages, and should have easily held off the navy man. Indeed, he had fifty pounds, reach, height and strength, but he seems to have lacked the fighting spirit which predominates in the Gunboat.

"Either McCarty or Pelkey would have natural physical advantages on Smith, and as both are admittedly classier than Willard, the battle between the winner of the scrap Saturday and Smith should be a hummer. I would want to see it, even if I did not referee. I intend to remain in Alberta for a couple of days and look the country over before returning to Chicago. In all probability I will go to Edmonton Saturday afternoon and see the Freddy Welsh and Scaler bout there that night, returning to Calgary on the midnight train."

THIS RULING MAY HELP BILL OLIVER SOME

New York, May 22.—Baseball players are public characters, and photographers may take their photographs in action without their consent, according to a ruling of Magistrate Butts in police court here this afternoon. The case decided was brought by the National Baseball commission and the New York Baseball club against a moving picture concern which had taken photographs of games without a permit from the management. The plaintiffs contended that the civil rights had been violated. The pictures in question had been taken during the world's series.

A GOOD BUSINESS

USUALLY when men say "a good business" they refer to profits; large sales at a good margin; making money. That's the only idea of good business some people have. Our idea of a good business is that and MORE.

We want to tell you about the "more." We always have—and are doing, a big business—an unusually good business—selling large lots of merchandise—but the "more" is this: Every customer we sell makes a profit—a bigger profit than ours, if you count their SAVINGS.

But we don't count money alone—neither do you—we both count SATISFACTION—and our idea of satisfaction means YOUR GOOD WILL—and it's by the good will of thousands of satisfied customers that this business is steadily growing to the largest in Calgary.
