

Pitchblend costs eight dollars a ton.

The Radium particles in it are worth eight million dollars a pound. Why?

Because pure Radium works wonders that nothing else will work.

"FORCE" costs more than the run of breakfast foods because of the pains I take to make it pure.

But it's worth the difference.

# FIGHTING

After a time he was recalled to the besides, the two years were nearly up room, and was somewhat surprised to One morning, as Mr. Lawson was find no one there save the cashier.

"Heatherton," he remarked, looking startling adventure. crossing the Common, he met with a up with a genial smile, "if you are not | He was walking quite slowly, with too much upset by the trying events of bent head and hands clasped behind the morning, won't you take this pack- him, apparently deeply absorbed in age of papers around to Cobbs-they some important subject. promised for today." Ned regarded the man with astonish- meditations, however, by a touch upon
